

## 99 Years of Severe Consequences By Not Following The Request of Our Lady of Fatima - 35 Years of Our Lady of Medjugorje

A Short Commentary

By a soul

(June 12, 2016)

In the beginning years of Our Lady of Medjugorje, on January 10, 1983, one of the visionaries, Mirjana (Dragicevic) Soldo, was interviewed by Fr. Tomislav Vlasic. Many things were discussed, including details about the afterlife. A copy of the interview can be found at this source: <https://www.medjugorje.org/wpart3.htm>

In that interview, Mirjana revealed something important that the Blessed Mother told her about the moment of death. Mirjana said that most people go to Purgatory, the next greatest number go to hell, and only a few—the least number—go directly to Heaven.

That was said 33 years ago. Now, it looks like the situation is far worse.

Just today (June 12, 2016), Our Lady gave a very severe message at Holy Love Ministry (<http://www.holylove.org>). It can be found here: **“Blessed Virgin Mary – A Grave Message – 85% of the world population is on the pathway to hell”**

<https://maryrefugeofhollylove.com/2016/06/12/blessed-virgin-mary-a-grave-message-85-of-the-world-population-is-on-the-pathway-to-hell/> In that message, Our Lady shared that *“the vast majority of souls who present themselves before My Son’s Judgment Seat are in a state of disgrace”* because *“they accepted moral standards contrary to God’s Commandments.”* Further, Our Lady shared that *“such serious choices cannot even be cleansed in purgatory”* and shockingly, She revealed in human statistics, it would be 85% of all people who die today.

According to The World Factbook (Central Intelligence Agency, 2016), <https://www.cia.gov/library/publications/the-world-factbook/geos/xx.html>, there are 7.8 deaths/1,000 population each year. Since there are more than 7,256,490,011 people living on the earth, this equals 56,600,622 deaths a year (about 108 worldwide deaths per minute or 1.8 deaths every second). I am sad to have to compute this... But, that means 48,110,528 people go to hell each year (about 91 people each minute).

*How in the world did it come to this?* On June 25, 2016, it will be the 35<sup>th</sup> anniversary of the apparitions of Our Lady of Medjugorje. And in 35 years, we have gone from a world where most of the population went to Purgatory (*which is eventually, Heaven*) to a world where most of the population is judged to hell. This is shocking.

And because I study heavenly messages, sadly, I have to say that all of these people could have been saved if the Catholic Church had only heeded the warnings of Our Lady of Fatima in 1917 by consecrating Russia to the Immaculate Heart of Mary. Our Lady even tells us so in Her messages, *Locutions To The World*. All the destruction of the 20<sup>th</sup> century and beyond, including World War II, the atomic arms race, Cold War, etc., all could have been prevented.

The 99 Years of the Fatima message should have been a century of great blessings for mankind. Instead, it has been a century of satan's hour of his destruction. (See previous blog posting: **"The Century of satan's reign Is About To End – 100th Anniversary of Fatima"**).

<https://maryrefugeofholyllove.com/2016/02/09/the-century-of-satans-reign-is-about-to-end-100th-anniversary-of-fatima/>

Recently, I wrote a lengthy commentary in which I explained the workings of the Divine Plan of Our Lord according to my studies of various heavenly messages that I feature on this blog (*Holy Love Ministry, Locutions To The World, the Book of Truth (Maria Divine Mercy), and Prophet John Leary*). In that writing, I revealed some things that are very important to understand. They include:

- 1) If Adam and Eve had not sinned, all of humanity would have been born in a state of immaculate grace and raised up in childhood to the age of reason in immaculate grace;
- 2) If Adam and Eve had not sinned, all of humanity would have been saved, because each person would have had their own will "transfixed" in the Divine Will; thus, evil and death would have been impossible;
- 3) The Era of Peace promised by Our Lady of Fatima if Russia had been consecrated to Her Immaculate Heart coincides with the Second Coming of Her Son, Jesus Christ; and
- 4) The Era of Peace that is suspended in eternity to begin someday on earth is a return to the state of immaculate grace as it was in the beginning for Adam and Eve. This will come about through the Resurrection at the Second Coming of Jesus Christ.

Sadly, all of the great untold blessings of this Great Era of Peace promised by Our Lady of Fatima is forestalled due to the Catholic Church—the Pope and all the bishops—failing to consecrate Russia to the Immaculate Heart of Mary. This is the desire of Our Heavenly Father and He will not change His Divine Plan for us. Rather, we need to comply with His wishes, as obedient children of God.

In the *Book of Truth*, Our Lord has said that we need to "*pray, pray, pray*" that Russia be consecrated by the Catholic Church, because millions of lives will be saved. These are lives that would otherwise be lost, because of the current path most of mankind is

taking today. These are lives that would otherwise be lost, because they were “cut short” by primarily, nuclear war, and other calamities.

It is staggering to think that if the Catholic Church had heeded Our Lady of Fatima in 1917, every human person born today would be living in the Era of Peace and would be saved. This is 7.2 billion people.

We need to follow Heaven and Its directive.

We need to consecrate Russia to the Immaculate Heart of Mary, so we can reverse the tide of the world’s path so that the blessings of Heaven can come forth and overflow instead into the world.

*How quickly will this happen? I pray for it soon.*

**“A Clear Summary of the Messages”**

#### **MARY**

*One thing is obvious. The world cannot continue in this direction. By my words, I have revealed, as far as possible (that is, as far as you need to know) what lies ahead if the world continues on this path of self-destruction. The power to destroy the world and human life as it now exists is already in place. The fires of anger and hatred burn so fiercely in the hearts of so many. The instability of economic structures affects even those who otherwise would feel safe and above the fray. Human life is so fragile and complex, that it can easily be disrupted.*

*All of these things I have shown you so often because they are the first part of my message.*

***The second part is also clear but not as much accepted. All of this could have been avoided.***

***Mankind did not have to come to this moment. It was not an inevitable result of natural causes. This is the part that the world cannot receive, but I will say it again. Satan has***

*brought all this about. He has used the intellect and the selfishness of man to build a world that, with a few strokes of his genius, he can destroy so that human life is changed for centuries. That is the moment in which mankind finds himself.*

*For so long, especially since the French Revolution when the goddess of reason was exalted, man has excluded God, the human race has been tricked by Satan and has had to deal with two world wars that never needed to occur.*

*Now, he has mankind on the edge of a greater precipice. The heavenly Father will not allow Satan to fulfill his plan but he has only two options. Mankind can return to God and walk in his ways. Or, the heavenly Father can allow the divine chastisements to stop mankind in its tracks. The second is just the lesser of two evils. There will be the chastisements of heaven so there is not the destruction planned by Satan.*

*I have spoken clearly and concisely from my motherly heart. If mankind repents and turns back to God, I will lead man by an easy path. Do not think it cannot be accomplished.*

**The Spurned Gift of Fatima**

**MARY**

*As the days and the months stretch forth, the mysteries will be seen by all. In the next few years, leading up to the 100th anniversary of Fatima, all will be revealed. The mysteries of evil buried within human history and human hearts will slowly come to the surface.*

*In the beginning, many will see these events in the old perspective. However, as they continue to surface, the eyes of many will be opened, especially the eyes of the Church and of the Holy Father. It is no coincidence that these events will occur as the anniversary approaches.*

*Should not this 100th anniversary (1917-2017) be a great time of rejoicing, a time when the Fatima gift is poured out in its fullness? That was my plan. This entire century was meant to be 100 years of blessings, all leading up to the anniversary. A blessing that has been rejected becomes an accusation. A gift spurned becomes a great issue.*

*If the Church and the world had only listened, if they had fully welcomed the Fatima gift, there would have been no World War II, no atomic bomb, no arms race, no Cold War. Russia would have been converted. A great period of peace would have begun and the whole world would know that the 100th anniversary would become a time of the greatest blessings.*

*Now, the anniversary looms on the horizon as an unfulfilled promise, rejected by those who should have had faith. What will I do? What will happen in these next 2 ½ years? This is not settled. However, the quicker the Church fully responds to Fatima, and as devotion to the Woman Clothed With the Sun multiplies, the blessings will come. Otherwise, Fatima remains a gift that is still rejected.*

## **From the Book of Truth**

### **“Book of Revelation”**

**Friday, November 26th, 2010 @ 12:00**

*My dearly beloved daughter, today is a day when My Heart is broken by the unrest and deep unhappiness in the world. I watch in despair as the world rises in anger against each other. Much of the sadness springs from the knowledge that these prophecies will unfold; yet much of mankind will be none the wiser.*

### **Pray for Russia to be consecrated to My Blessed Mother**

*They still refuse to acknowledge that these events were foretold in the Book of John. So, so many will now suffer because of lack of faith. **Pray now that Russia will finally relent and allow itself to be finally consecrated in My Blessed Mother’s Name. Pray, pray, pray for this to happen because it will be through prayer that this great achievement will be possible. If this happens, then millions will be saved. For the danger is that the communist forces will rise with the serpent and join together leaving you, My children, powerless.***

*Look, now, at the velocity, as the nations rise to fight. The speed of global events will cause much consternation, as these unfold in their intensity. My followers, you must listen. Prayer groups will be essential in spreading conversion and to diffuse these disastrous events. Even those of you, complacent in your lives where you take everything for granted, you will no longer be able to ignore these events. You must listen to Me, now, and accept that those events predicted in the Book of Revelation are coming to pass.*

*Hold your hands in prayer, now. Even if you hold just a spark of affection in your heart for Me, ask Me to hold you, so that I can ignite and strengthen your faith in Me.*

### **I will fight for each one of you**

*I will fight right to the bitter end to bring you all closer to My Heart, whether you are a child, a teenager, a young adult, middle-aged or old – in My eyes you are all the same. You are My precious beloved family – each and every single one of you. No one is*

*excluded, even those of you who do not accept that I Exist. Even those of you who do but hate Me – I still love you. My Love is passionate beyond your knowing and I will do everything in My Power to bring you back into My fold. I will not give up your soul to Satan that easily.*

Please turn to Me

*Please turn to Me – no matter how many doubts you hold – and let Me fill your heart with My Divine Love. Just one taste of that Love will help you prepare for eternal life in Paradise with Me, My Eternal Father and your brothers and sisters. This is your inheritance, your rightful inheritance.*

*Don't squander this chance of salvation. When your life on Earth comes to an end, you will have two choices in the afterlife. Heaven in Paradise or the depths of Hell, with Satan, who will take you with him through the sins he tempts you to commit on Earth. Open your eyes now. Remember death on Earth can take place on any day, at any time and when you least expect it. Through this Message I beg you to see the Truth before the Day of Judgement. Always remember I love you, no matter how grievously you have sinned. When you turn to Me, and ask Me for forgiveness from the bottom of your heart, you will be pardoned. Even during your last breath.*

**YOUR BELOVED SAVIOUR,**

**JESUS CHRIST**
