Mary, Refuge of Holy Love says:

"Praise be to Jesus."

"Dear children, I will need your help on the upcoming Presidential Election Day. As I stated, I am assigning angels at every voting booth. These angels will attempt to help the voters in discerning good from evil. I need you to pray to these angels throughout the day. Pray like this:"

"Dear Heavenly Angels, you are watching over this election and each voter in a special way. Help each voter to see clearly the choices between good and evil. Strengthen them in their resolve to choose good which reflects the Truth. Amen."
