JESUS

What do I need from the people of My Church? I need fidelity. Many claim they are faithful but they make war on the Church. When an enemy comes directly to one’s door, from the outside, one is prepared. When an enemy emerges from within one’s home, one is more vulnerable. My children, I do not wish you to become an enemy in My earthly home, the Church. Follow the leadership I have arranged for you, in a manner that is humble and determined, and you will see My Spirit blossoming in a way that is both fresh and compelling. Where are My beloved children? Why do they flee from our assembly? Is it I? Have I changed or demanded that they leave our Church? No. It is not I. I have watched in pain as many people have been made to believe that they are somehow less worthy than the unworthy, that they are not welcome or not received by Me. The truth is that sinners do not cause Me to fret. You are all sinners and you are all welcome. Who is driving God’s children from our Church? Ask yourself that question and do not point to the man I have chosen to lead My Church. He is in My care and I am pleased that he is following My direction. Do you wish to argue with the Holy Spirit in

him? Then you must look to Me, and do so silently in prayer. Perhaps I can help you to see that the people in every assembly are unworthy. God did not create you to be perfectly worthy on earth but to be loved and to grow and grow in holiness and happiness. Would you say that every person starts at the same point? Do you believe you can judge? You are attempting to usurp My role if you believe this and you are also damaging My Church. Stop. I am asking you to stop pretending that you are Me. I am the judge. You are the ones who will be judged. I am looking deeply into your heart. If you are dissuading people from belief and total trust in My mercy, then I am asking you to stop.

Related Commentary (By a soul):

As followers of this blog, *MaryRefugeOfHolyLove* know, I, *a soul*, believe in the **Book of Truth** that was given to **7th Messenger, Maria Divine Mercy** by Our Lord, Jesus Christ. I believe in Our Lord's words that indicate that Pope Francis is an antipope and the false prophet of Revelation. I know it is the Truth and that is why I have several blog pages dedicated to the heavenly messages and prophecy summaries to help people to understand what is happening to Our Beloved Mother Church. But, I want to tell you a story, because I think this same situation is happening to many people. I hope that my words inspire change and help people to trust in Our Lord's Goodness and His Divine Mercy.

This is the story. I discovered the Book of Truth in 2011 and have believed Our Lord's words since then. It was because of Maria Divine Mercy that I joined several Catholic groups on Facebook devoted to the Book of Truth, because I wanted to be encouraged by like-minded peers.

However, as time went on, I noticed something happening to me. Everyday, there would be frequent postings and articles about Pope Francis that were very negative about him. Many people would not even call him Pope Francis, but by his given name, because he is the false prophet and so, they did not even want to respect him in any way positive. Truly, I saw many people believing that everything that Pope Francis did was opposed to the Holy Spirit and so, everyone discussed every one of his actions negatively. Truly, many people feel that Pope Francis has no redeeming qualities and since the Book of Revelation says that the false prophet is condemned to hell, that Pope Francis is beyond redemption and any hope of salvation. Yes, there are Crusade prayers in the Book of Truth that ask for God's Mercy on him, but according to many people, he is the false prophet and that is the final word. He is a damned soul.

Well, being exposed to all this negativity in the various Facebook Catholic groups each day, got to be very troubling to me. It was like a very vicious seed of anger, hurt, frustration, and yes, even hatred, was planted in my heart, and it was really affecting me.

I wanted to love this man and pray for his salvation, but this seed of hatred had nestled itself into my heart, and I was having genuine trouble honestly praying for him. It was also hard for me to fully believe and trust in God's Divine Mercy, because I knew Jesus died for ALL sinners and yet, the Book of Revelation indicates the false prophet is condemned to hell.

Was the false prophet the one man that was not redeemed by the Cross?

So, I decided to stop. I decided to extract myself from all the daily negativity that I was witnessing everyday in my Facebook groups, and began in earnest to remove this seed of hatred that was building in my heart for Pope Francis. I went to Confession to ask pardon for my lack of charity towards Pope Francis. Then, afterwards, I began to redouble my efforts in prayer, particularly, through the Holy Mass, to pray for the salvation of this man, Pope Francis, the false prophet.

The fact was, I am a firm believer in God's Divine Mercy which will be witnessed through the Great Warning (Illumination of Conscience). Blog followers know this, as my blog, ***MaryRefugeOfHolyLove***, has many pages dedicated to helping people in the aftermath of the Warning. It has always been a concern of mine, ever since I found out about the Marian apparitions at Garabandal, Spain, that people be helped in reconciling themselves back to God. For me, I have always been concerned about the trauma that my family, friends, loved ones, will feel through this Great Act of God. It has been the driving force for me to create everything that people see on my blog. I have no desire to see anyone feel hopeless and helpless after the Great Warning. So, I have done everything I can do to prepare for this special event, because I love my family, my friends, and everyone that God has placed in my life. I want everyone to be saved.

Pope Francis is no exception to the desires of my heart. The reason I was so troubled before, is because I knew in my heart that Jesus died for ALL of mankind and that through the experience of the Great Warning, God's Divine Mercy will be offered to everyone, no exception. It was really difficult for me to believe that Pope Francis would not have a genuine chance before God Our Heavenly Father for redemption through the Great Warning. So, ever since I decided to remove that seed of hatred in my heart, I have prayed in earnest for Pope Francis and his eternal salvation in Jesus. I am very sincere about this effort and have much love for him in my heart.

The fact is, the Apocalypse is a description of satan's plan to destroy mankind. However, it does not fully reveal the Divine Plan of Our Heavenly Father. Jesus and His Father have even indicated in heavenly messages, including the Book of Truth, that not everything about the Apocalypse is revealed in the Book of Revelation.

Ask yourself this question, *why would Our Heavenly Father reveal two thousand years*

in advance His Divine Plan for the salvation of the world in the End Times for satan to know about and plan for in advance his counterattack? The answer will come to you in sincere prayer if you want to seek the Truth.

Our Heavenly Father, Jesus, and the Blessed Mother have been revealing to me certain aspects now and confirming certain matters about what Heaven wants to accomplish on earth to redeem all mankind. Pope Francis is no exception to this Divine Master Plan based in Total Love and Total Mercy.

Please read my appeal to Pope Francis if you want to begin to understand the Divine Plan in this End Times. The Divine Plan that has been kept secret by God and Our Lady from satan so he could not plan his attack.

An Appeal To His Holiness, Pope Francis the First

<https://maryrefugeofhollylove.com/an-appeal-to-his-holiness-pope-francis-the-first/>

At the Great Warning (Illumination of Conscience), Pope Francis, along with the rest of the world, will be shown their mistakes and the sins that keep them separated from God. And at the Great Warning, Pope Francis, along with the rest of the world, will be given a genuine chance for salvation from God.

Much prayer is needed for Pope Francis and the Catholic Church. Our Heavenly Father, Jesus, and the Blessed Mother have a Great and Awesome Plan for the salvation of mankind. As blog followers know, the Great Miracle of Garabandal, was revealed to me in January 2017, which I have hinted about in different blog postings.

The fact is, the Miracle of Garabandal has so much grace and so much love attached to it, it is imperative that everyone, including Pope Francis and Pope Benedict XVI, witness the Miracle as it is happening on earth. The Miracle has the grace to convert Pope Francis, to heal the Great Schism (Apostasy) happening now in the Catholic Church, and reconcile all of mankind back to God. In truth, if Pope Francis witnesses in person the Miracle, his heart will be radically transformed and he will know instantly that the Tradition of the Faith of the Catholic Church is the True Faith and must be followed by him.

Witnessing the Miracle will save Pope Francis from eternal damnation as the false prophet and he, along with Pope Benedict XVI, will dually consecrate with all Catholic bishops, the nation of Russia to the Immaculate Heart of Mary, ushering in the Era of Peace for all mankind.

Witnessing the Miracle will heal the Great Schism and is one of the greatest blessings that Jesus could ever bestow on His Beloved Church and all of mankind. It is imperative

that everyone pray for Pope Francis, pray for unity in the Catholic Church, and pray that satan and the forces of hell do not come against everything that Our Heavenly Father wants to achieve in this End Times.

The fact is, when the Miracle of Garabandal was revealed to me in January 2017, satan also found out for the first time what that Miracle involves. And so, now, he is actively and aggressively preparing to counterattack and dilute its efficacy in converting the entire world. he cannot stop the Miracle being given to the world by God, but he is using all the forces of hell to cover it over and to stop people from witnessing it. The Miracle of Garabandal is his defeat before God.

And so, please understand how much is at stake right now in the Divine Plan of Our Heavenly Father. As I indicated in my previous recent commentary, America has a tremendous role in the outcome of the Divine Plan, the mitigation of the Ten Secrets of Medjugorje, and averting the Great Chastisement of mankind.

Heavenly Message: God the Father – “I am begging all the people of America and the world to pray for Trump and Pence every day”

<https://maryrefugeofholyllove.com/2018/03/29/god-the-father-i-am-begging-all-the-people-of-america-and-the-world-to-pray-for-trump-and-pence-every-day/>

Likewise, the eternal salvation of Pope Francis is at stake, along with the potential "visible" collapse of the Catholic Church, and the coming refuges. So much prayer is needed now to avoid the annihilation of nations and to ultimately save millions, billions of souls that would otherwise be lost to hell—everything is at risk.

Prayer is the ONLY ANSWER and ONLY SOLUTION. Please pray for the intentions of the Immaculate Heart of Mary with all love and trust in Our Heavenly Father everyday. Please ask that all your prayers, past crosses and sacrifices, be multiplied in grace by God. As indicated in a heavenly message, Our Heavenly Father will even multiply the grace of our prayers by a hundredfold, but we, His children, need to freely ask this of Him due to free-will. Be an active participant and supporter in Heaven's Plans.

I love you all. May God bless everyone with my words of hope and love. Jesus, I trust in You.

In Christ's Peace,
a soul

Feast of the Apparition of Our Lady to St. Bonet [France]

My most beloved son, this is God the Father of Heaven and Earth. I AM WHO AM—all of everything. My son, I am going to repeat some of the things I have told you before. Remember when you asked Me who to vote for before the election of your President? I told you during your prayer group to vote for Trump because he was the only who could break through all the evil in the White House. I then told you he would be the horse that would pull the cart with Pence holding the reigns controlling the bit in Trump’s mouth to lead him in the right direction. Trump and Pence were chosen from Heaven to help save America through the hands of God the Father and all of Heaven and that it would take many prayers from America and the people from all nations. [\(see 11/9/16 message\)](#)

Satan knew that Trump would win so he had his evil people fix all the election polls the same way he did in the last two presidential elections. He thought all would be fine but when the election results started coming in, he could not believe what went wrong. This is why all the media and the evil leaders who bought them off went so crazy.

I, God the Father, sent angels to all the polls to remove all the cheating that the evil people had been doing to take America down, and to give the country one more chance for a true vote of the American people. The evil leaders were changing votes, allowing illegal immigrants to vote, and also allowing people to vote without valid IDs. Now, the evil ones are telling every lie possible about Trump and Pence and are now spending billions of dollars to buy people off to start riots all over the country since Trump won the election.

*This is the last chance for your country to take back its freedom from satan and all the evil leaders of the world. **I am begging all the people of America and the world to pray for Trump and Pence every day** so that all the evil people and evil demons who are controlling your country and the world will be stopped by Heaven and all the angels.*

Prayer is the only thing that will win this battle with MY hand doing the work through Heaven with the prayers of all the people. Please start supporting your leaders. I gave you Trump and Pence and you need to pray that all the evil demons will be cast back to the foot of the cross by Easter so that God the Father’s work can continue according to His Divine Will—the whole world depends on it. Love, God the Father.

An Appeal To My Fellow Americans – 40 Days

Related Commentary (By a soul):

It is critical that all good-willed people in America and around the world pray everyday for President Donald Trump and Vice-President Mike Pence. This is truly the world's Last Chance to stop satan, his demons, and all the evil people in the world.

Heaven has been revealing to me certain aspects of Papa God's Divine Will for us on earth. The return of America to Christianity under the leadership of President Trump and Vice-President Pence is critical to the success of Papa God's Divine Plan. At a certain point, the Vatican and Europe will be lost to the antichrist. It is inevitable at this point due to free-will choices of mankind. It is at the point that the Vatican is lost, that Papa God desires that the Papacy have a temporary home in America. This is why Our Lady has been requesting that America become a sanctuary nation for Christians in the Holy Love messages.

Only with a Catholic America can the antichrist be defeated. Only with a Catholic America can the Great Chastisement prophesied at Garabandal and Medjugorje be averted by mankind.

After the Great Warning (Illumination of Conscience) takes place, everyone will know the difference between true right and true wrong. And through the Great Miracle of Garabandal, all the world know that Catholicism is the True Faith on earth. Thus, Papa God and Our Lady hope that America will become united as a Catholic nation and evangelize the rest of the world to Catholicism.

This is the great destiny that America has been chosen to fulfill in Papa God's Divine Plan.

Everything and I mean everything is on the line and dependent on America's future as a Catholic nation. The nuclear world war, the antichrist, the Consecration of Russia, the collapse of the Catholic Church, the refuges, the Ten Secrets of Medjugorje, world peace, the Great Chastisement—everything is on the line with America becoming a Catholic nation.

Please, I beg that everyone, regardless of which country you live in, to pray everyday for the future of America and Our Lady's intentions. The future of the world and salvation

of millions, billions of souls, is at stake. **God bless!**

LOCUTIONS TO THE WORLD

March 24, 2014

Very Special People

MARY

At the right time, those whom I have prepared will come forth. One by one, I will place them.

I will put some into positions of authority. To others, I will give gifts of speaking that will stir hearts. To others, I will give powers of organization, so that thousands of people join together in the causes of light.

I will suddenly remove the children of darkness from their thrones. This will be a sign to all that I am the Woman and I wield the authority given to me by the Father.

I will raise up my special sons. One, I want to lead to the presidency of the United States.

The other, I will place upon the Chair of Peter. Each will take place at the right time. They will be signs to everyone that I have not forsaken the world.

In the meantime, I will comfort those who sorrow and guide those who seek my light. I am working even now in the hearts of all who love me. So, awaken, O reader. Do not just wait until my words are fulfilled. God's plan demands your cooperation today, right now. Let us not wait for some tomorrow which never arrives.
