

Special Commentary – Hidden Vision of Third Secret of Fatima Revealed in Sister Lucy's Biography

By a soul
(Feast of Our Lady of the Highest Grace, April 2, 2018)

As blog followers of *MaryRefugeOfHolyLove* know, I am a firm believer in the **Book of Truth (Maria Divine Mercy)** and **Locutions To The World**. However, being a firm believer in both heavenly interventions does not mean that I understand every nuanced word of every message, especially, about the prophecies given. I do not claim perfect discernment and perfect clarity about the heavenly messages. But, in both the Book of Truth and Locutions To The World, Our Lord and Our Lady have revealed that there are hidden parts of the Third Secret of Fatima that remain to be revealed by the Vatican.

And so, I have readily accepted this fact—that there existed a hidden part of the Third Secret of Fatima, which made both the Book of Truth and Locutions To The World consistent with each other to me—*although*, I did not understand what the hidden parts immediately contained.

However, in particular, with Locutions To The World, I was always intrigued by these words of Our Lady:

April 24, 2015

“..The Fatima visions did not end on October 13, 1917. Lucy continued to receive heavenly visitations which explained and unfolded the mystery. How faithful was my little messenger, filled with both truth and zeal, willing to hide herself in religious life so the message would go forth pure and unhindered. All of this was the divine plan. Nothing would contaminate the Fatima gift, which remains until today. Anyone can study her writings. All can examine the documents about the visions. They are well preserved, a tremendous gift waiting to be opened..”

Well, I am not a Fatima scholar. I saw that Sister Lucy of Fatima wrote a few books, but I did not have the inclination to read them. To be honest, I do not read books these days, as my daily reading is primarily of heavenly messages and praying about them. So, reading a book is a challenge for me. So, I set my curiosity aside and moved onto other things.

Until a month ago.

And so, while I was doing some research on the Secret of La Salette in relationship to

Fatima, I came across a well-hidden article in the magazine of the **Fatima Crusader** (<http://www.fatimacrusader.com/cr110/cr110.pdf>). It is a translated article by Fatima scholar, Antonio Socci, in which he reveals that the new biography about Sister Lucy written by her fellow sisters of her convent in Portugal contains new information about the Third Secret of Fatima. The biography is called, “**Un caminho sob o olhar de Maria**” (“**A Path Under the Gaze of Mary**”) and is based, in part, on previously unpublished writings of Sister Lucy. And, in particular, the biography contains a second vision that was also given to the three shepherd children as part of the Third Secret, as well as hints that the Blessed Mother also gave an interpretation of the Third Secret, which remains still hidden by the Vatican.

And when I came across this information, I was shocked. So, knowing how explosive this was, I immediately placed the information on this blog, *MaryRefugeOfHolyLove—for safe-keeping*, with links under the homepage news section. Although, it is only now that I have had the chance to write about it to everyone in this blog posting.

Now, this translated article in the Fatima Crusader did not come out until Fall 2014 (the original article came out in August 2014), which I found very telling, as Our Lady hinted about this vision in the documents of Sister Lucy in the April 24, 2015 locution (about six months later) that I posted above.

So, Our Lady led me to finding out about these facts, which is truly amazing, as I had no previous inclination in reading Sister Lucy's books. But, it was in *her biography*, that this hidden treasure lay—written by her fellow sisters using her previously unpublished writings that I was not aware of.

And so, here is the the translated second vision of the hidden Third Secret of Fatima from Sister Lucy's biography. *God bless!*

At around 4 p.m. on January 3, 1944, in the chapel of the convent, before the Tabernacle, Lucia asked Jesus to make known His will: “I then felt a friendly hand, maternal and affectionate, touch my shoulder.”

And the Mother of God said to her: “Be at peace, and write what I have commanded you, but not, however, that which has been given to you to understand its meaning,” intending to allude to the meaning of the vision which the Virgin herself had revealed.

Immediately afterward, said Sister Lucia, “I felt my spirit inundated by a mystery of light that is God and in Him I saw and heard: the point of a lance like a flame that is detached, touches the axis of the earth, and it trembles: mountains, cities, towns and villages with their inhabitants are buried. The sea, the rivers, the clouds, exceed their boundaries, inundating and dragging with them, in a vortex, houses and people in a

number that cannot be counted. It is the purification of the world from the sin in which it is immersed. Hatred, ambition, provoke the destructive war. After I felt my racing heart, in my spirit a soft voice said: 'In time, one faith, one baptism, one Church, Holy, Catholic, Apostolic. In eternity, Heaven!' This word 'Heaven' filled my heart with peace and happiness in such a way that, almost without being aware of it, I kept repeating to myself for a long time: Heaven, Heaven."

Pouring Out the Fatima Gift

MARY

How often must I speak of this Fatima light that can save the world? It contains all the divine gifts, the great surprise of the heavenly Father. His powers are waiting to be released through my Immaculate Heart. Let me begin to reveal this mystery in an even deeper way, beginning with the powers of darkness.

The Father's plan began when He revealed to Pope Leo XIII the great mystery of Satan's power over the 20th century. The Holy Father responded and the Church began to say the Leonine prayers. This prepared for Fatima, that obscure village, like a new Bethlehem, which would receive a worldwide gift.

The Fatima visions did not end on October 13, 1917. Lucy continued to receive heavenly visitations which explained and unfolded the mystery. How faithful was my little messenger, filled with both truth and zeal, willing to hide herself in religious life so the message would go forth pure and unhindered. All of this was the divine plan.

Nothing would contaminate the Fatima gift, which remains until today. Anyone can study her writings. All can examine the documents about the visions. They are well preserved, a tremendous gift waiting to be opened.

The Church always seeks my intervention and wants my help. However, I have already intervened. All is stored up, like a priceless treasure, in the Fatima gift.

Someday, the Holy Father will open the gift. The powers will pour forth. More important, the whole world will be caught up in its light. But I cannot wait. This is what I want to reveal. The Fatima lights are beginning to go forth now. They are breaking out. They can no longer be contained in my heart. I will not wait. Even if the Church and the world are not as prepared as they should be, it is better just to pour out the beginning lights than to wait and wait. The great outpouring, however, must wait until the conditions are fulfilled.
