

SPECIAL COMMENTARY:
Understanding the Hidden Plan of God
And the Purpose of Heavenly Messages

By a soul
(Feast of Our Lady of Bavaria, May 14, 2018)

Recently, I wrote a short commentary called, “Understanding the Hidden Plan of God for Avoiding the Great Chastisement,” for this blog, *MaryRefugeOfHolyLove*. And I feel upon writing it, I need to further explain things so people better understand the Divine Plan of God and what Our Lady is trying to accomplish in the world. As this is very important for the success of the Divine Plan and I do not want people to be confused.

Understanding the Hidden Plan of God for Avoiding the Great Chastisement
<https://maryrefugeofholyllove.com/2018/05/12/special-commentary-understanding-the-hidden-plan-of-god-for-avoiding-the-great-chastisement-by-a-soul/>

Now, people may ask, how can I claim that the various steps as outlined in my recent commentary are part of the Divine Plan of God? Also, why is the Divine Plan “hidden” as I titled the commentary?

Well, firstly, as I have stated before, I am a simpleton. I do not study Sacred Scripture much, however, I have spent hundreds, even thousands of hours, over the years, studying and discerning various heavenly messages from different sources. I do not mean simply reading messages, but actually, meditating and pondering them in prayer. I do not claim to be an expert, as I could never claim perfect discernment of spirits—no one can make that assertion—but, I do speak on what and how the Holy Spirit has been leading me in prayer to think about as I have thought over and studied various messages. So, I speak based on my personal experience of many hours of musings, always using Holy Love as my guiding light and trusting upon Divine Timing for clearing up any confusion I might immediately have with a heavenly message. I have always left up it to God's Timing and not my own for clearing up any conflicts or misunderstandings I might have between messages from different sources.

And I believe that God has blessed my efforts, that finally, after many years of private study and discerning, that I am able to discuss now with others the insights of my laboring. So, even though, I am a simpleton (I gave my intellect a longtime ago to the Lord when I realized most human knowledge was useless), the little light that I have been given, I present to you now, *my dearly beloved blog followers*, for your own fruitful consideration and meditation.

And secondly, in regards to why the Divine Plan of God is so “hidden,” the reason is very simple. The reason why the Divine Plan is “hidden” but now, being revealed through different chosen messengers is due to satan. The fact is, after the Gospel was sent forth by Our Lord to the Twelve Apostles and the original disciples, it has taken much needed time for the Gospel to be preached and heard “to the ends of the earth.” Two thousand years to be exact. Meanwhile, satan has been very active in trying to re-coop his losses and defeat due to the Resurrection of Our Lord. satan's plan is now coming to a head in these immediate years, as he is now very close to being able to destroy the earth and all life on it. This is the End Times when evil is coming to a culmination as is obvious to see by the many “signs of the times.”

However, when God had St. John the Evangelist write down the Apocalypse (Book of Revelation), it was meant to be a warning to the Christian Church and the world of satan's ultimate master plan of subjugation and claiming of souls in the End Times. However, not all has been revealed by God of His Divine Plan for mankind in the Book of Revelation. Why? It is not because God does not love His children and does not want them to be aware of His intentions. However, satan is highly intelligent—vastly superior in intellect to any human person—and God needed to keep many aspects of His Divine Plan hidden so satan could not plan his counterattack these past two thousand years while the Gospel was preached to everyone in the farthest reaches of the world.

However, as I understand it, Our Lady and Her Triumph of Her Immaculate Heart is very much a part of the success of the Divine Plan. In truth, the Triumph of Our Lady coincides with the Second Coming of Our Lord which will usher in a Great Era of Peace and a new Heaven and a new Earth.

And so, I am including along with this special commentary, several heavenly messages from different sources, which should be studied together, so people can better grasp the larger Divine Plan of God and Our Lady for salvation of the world. Here are also key points that people should consider as they ponder and discern the following messages:

1) God desires the salvation of all souls, including Pope Francis, who is the false prophet.

2) The Apocalypse is satan's plan for the End Times, but it does not fully describe the Divine Plan of Our Heavenly Father for the salvation of His beloved children and avoiding the Great Chastisement.

3) God has a very different Divine Plan for peace and salvation of the world. Heaven and Our Lady desire very much to help earth as much as possible, mitigating and avoiding the various pending chastisements due to the sins of the world.

4) In order to unify mankind to avoid the Great Chastisement, God must first heal the internal divisions in Christianity (Catholic, Orthodox, and Protestant), as well as the division between Christianity and Israel. Only in this way, can the Gospel be a True Light to the nations and call to repentance and conversion to all. Peace begins in Jerusalem.

5) No person is guaranteed salvation. All have free will and the salvation of millions, even billions, of souls, rest in the hands of a few key players. One of them is Pope Francis. Every person is important to God and no soul is expendable.

6) The Miracle of Garabandal is one of God's and Our Lady's way of unifying the Catholic Church. There is enough grace in the Miracle to convert the entire world, including Pope Francis, and heal the current Great Apostasy of the Catholic Church.

7) Our Lady's Plan includes bringing the small pockets of devout individuals and Marian groups to the highest level of fervent faith possible. Then, uniting them together through the Miracle of Garabandal, thereby setting in motion the healing of the greater Christian Church and in turn the world.

8) The reason that there exists discrepancies between various chosen messengers is because their missions serve different purposes according to the Divine Plan. These different purposes are due to free will choices, particularly, those choices that will take place after the Great Warning (Illumination of Conscience) happens. Heaven is planning for the best case and worse case scenario for the 7.6 billion people currently living on earth.

9) One of the purposes of prophecy is to warn God's children of the consequences if they do not listen to God and follow the Ten Commandments. God desires that His children listen to the prophetic warnings and act like Nineveh by repenting and converting back to God.

10) The Divine Plan of God and Our Lady is always pressing forward even though on its surface, it looks like evil is winning in the world. God and Our Lady are working in a hidden way preparing hearts for the success of the Divine Plan. Many people are involved in the Divine Plan, especially, those devoted to Our Lady, and the overall Divine Plan is very comprehensive and glorious as one comes to fully understand the making of different parts, all of which account for the actions of free will in mankind.
All Glory Be to God!

God bless!

GOD THE FATHER

Verne here is the interpretation of my message to you.

I the Lord God will shake the heavens and earth both physically and spiritually because of the sins of this generation. My children are not responding to the ordinary means of salvation given to mankind: my church and the sacraments. The Lord has sent his mother as a messenger who has warned mankind. I have been shaking the earth for many years now. Few souls realize the natural events transpiring are to wake up my children to the eternal salvation. Changes in the weather, earthquakes, diseases, and food supplies are permitted by my divine will to wake up my children. ***Many are not able to discern the signs of the times due to their sins and the deception of Satan.***

Therefore, I the Lord will remove the deception and allow my children to see the truth. An increase in the physical shaking of the earth will take place until the warning. The warning is the spiritual shaking. During the warning, all of mankind will know the truth, the state of their souls, and the particular judgment of their soul at that moment. ***My mercy and justice allow this warning as one of the last mercies to this sinful generation. The response of mankind to the warning will determine the severity of the chastisement, after the warning.*** The warning will fulfill the prophecies of: Blessed Anna Maria Taiga, Lourdes, Fatima, Divine Mercy, and Garabandal. My church will not go underground and the abomination of desolation will not occur, until after the warning. I need my church to bring my graces to my children, after the warning. Confessionals must be open for my children to receive the pardon and forgiveness for their sins. Remember, I am a God of mercy. ***Those who harden their hearts to my mercy and graces will pave the road for the events prophesied in Apocalypse 12, 13, and 14. I warned the people of Noah's day and I will warn the people of this generation.***

If mankind does not repent of their sins, you will see the following events, after the warning. The persecution of the Holy Father, causing him to flee Rome and go into hiding. The Holy Mass becoming protestantized with the abomination of desolation taking place. My true church being forced into underground masses with my children being fed my Holy Eucharist many times by my angels. A world wide persecution of my faithful. My faithful being called to flee to my refuges. A false church being instituted with a false leader or antipope. Mankind attempting to re-institutionalize the tower of Babel, with a one world government, which will control the world's currency with the mark of the beast. An antichrist who will lead this revolt against

God and who will proclaim the Masonic doctrine that all religions are equal and that the kingdom of God is a materialistic earthly kingdom.

This will cause my eternal judgment to descend on this earth and cast the antichrist and his followers into the abyss of hell for all eternity. Satan and his demons will also be locked away for 1000 years as described in Apocalypse 20:1-3. Then, the earth will go through 3 days of darkness just as my son was in the tomb for 3 days. My creation will then be renewed and the seventh day or era of peace will begin. These events are written in my Holy Scriptures. I bring messages to my people because my people do not read my Holy Scriptures. The severity and sequence of events will be determined by the response of mankind to my mercy and justice. Without repentance, these events will increase and take place in this generation. These words are a reminder that God's will, will be done on earth as it is in heaven. Be like Noah and enter my ark of refuge and enter the seventh and eighth days of creation. Verne, this understanding will give you peace this day and the days ahead.

Amen.

GOD THE FATHER**

Thus saith the Lord write this prophecy to my people. My people are blind and do not see and deaf and do not hear. The signs of the times are being fulfilled and revealed by my servants who prophesy under the power of the Holy Ghost. For the Lord God doth nothing without revealing his secret to his servants the prophets. (Amos 3:7).

And the earth was of one tongue, and of the same speech... And they said: Come, let us make a city and a tower, the top whereof may reach to heaven: and let us make our name famous before we be scattered abroad into all lands... And he said: Behold, it is one people, and all have one tongue: and they have begun to do this, neither will they leave off from their designs, till they have accomplished them in deed... And therefore the name thereof was called Babel, because there the language of the whole earth was confounded: and from thence the Lord scattered them abroad upon the face of all the countries. (Genesis 11:1,4,6,9)

For they that become rich, fall into temptation, and into the snare of the devil, and into many unprofitable and hurtful desires, which drown men into destruction and perdition. For the desire of money is the root of all evils; which some coveting have erred from the faith, and have entangled themselves in many sorrows. (1 Timothy 6:9, 10).

No man can serve two masters. For either he will hate the one, and love the other: or he

will sustain the one, and despise the other. You cannot serve God and mammon. (St. Matthew 6:24)

Blessed is the nation whose God is the Lord: the people whom he hath chosen for his inheritance. (Psalms 33:12)

Therefore rejoice, O heavens, and you that dwell therein. Woe to the earth, and to the sea, because the devil is come down unto you, having great wrath, knowing that he hath but a short time. (Apocalypse 12:12)

And he shall make all, both little and great, rich and poor, freeman and bondmen, to have a character in their right hand, or on their foreheads. And that no man might buy or sell, but he that hath the character, or the name of the beast, or the number of his name. (Apocalypse 13:16,17)

And the heaven departed as a book folded up: and every mountain, and the islands were moved out of their places. And the kings of the earth, and the princes, and tribunes, and the rich, and the strong, and every bondman, and every freeman, hid themselves in the dens and in the rocks of mountains: And they say to the mountains and the rocks: Fall upon us, and hide us from the face of him that sitteth upon the throne and from the wrath of the Lamb: For the great day of their wrath is come, and who shall be able to stand? (Apocalypse 6:14-17)

Behold he cometh with the clouds, and every eye shall see him, and they also that pierced him. And all the tribes of the earth shall bewail themselves because of him. Even so. Amen. (Apocalypse 1:7).

I, The Lord God Almighty Creator, of the heavens and earth proclaim a warning to humanity. I am a God and Father of mercy, but also of justice, My children, you are ignoring the manifestation of the warning signs surrounding you. You continue to ignore my church, my son Jesus Christ, and my Holy Scriptures. By ignoring my son Jesus Christ, you ignore your Father in heaven. You cannot enter my eternal kingdom without the merits and graces of my son Jesus Christ. My eternal mercy is warning, my wayward children, of the consequences of rejecting my son Jesus Christ. Heaven is eternal. Hell is eternal. I am does exist. The chaos in your world is the result of believing the lies of the deceiver of your soul. His name is Satan and he does exist. My son said: He was a murderer from the beginning, and stood not in the truth; because truth is not in him. (St. John 8:44) As a loving and caring Father, I am will warn you of events to take place, if mankind refuses to repent and return to my loving embrace.

I created you with a free will and you will reap what you sow. This applies to individuals

and nations. Be not deceived, God is not mocked. For what things a man shall sow, those also shall he reap. For he that soweth in his flesh, of the flesh also shall reap corruption. But he that soweth in the spirit, of the spirit shall reap life everlasting. (Galatians 6:7,8) **I will not continue to bless those nations who worship false gods before me. I will not continue to bless those nations who elect leaders who promote the murder of my children through abortion, euthanasia, and war. I will not continue to bless those nations whose leaders make economic alliances which promote greed, usury, and the formation of a single international banking system based on the principles of communism and freemasonry.**

In the book of Genesis, mankind rejected God Almighty and tried to build a tower to reach heaven. But mankind was scattered and the tower of Babel was not finished. Today, mankind is once again attempting to rebuild the tower of Babel. You are worshiping the false gods of greed and money, instead of your creator. **On September 11, 2001 the symbols of your greed collapsed, but repentance was not done. Mankind continues to persist in his evil ways. The sins of abortion, usury, sodomy, fornication, adultery, war, and the other sins of the flesh cry out to heaven for my justice to befall mankind.** I am will shake the heavens and the earth to warn mankind again. You will cry to the rocks and the mountains to cover you. But you will not be able to hide from the revelation of my son Jesus and the sins each of you has committed. This will be the greatest act of mercy to this sinful generation. Reject this mercy and the following events are prophesied to take place.

Even now, the thunder of war is heard around the earth. Satan and his followers, have been planning for centuries to destroy my church and enslave mankind. A war is being planned which will enslave mankind and attempt to bring the doctrine of Lucifer to rule my children. This war is developing before your eyes. This war will involve the Middle East and the nations of the earth. The tower of Babel will be resurrected through commerce and the consolidation of the economies of the world. You will not be able buy or sell without participation in this global economic system. A universal religion and government will be imposed upon the citizens of your world. This religion will deny my church and the doctrine of salvation through, my Son Jesus Christ. An attempt will be made to complete the masonic pyramid and bring the great work of masonry to completion. The fulfillment of the mystery of iniquity will be allowed to occur. There will be an increase in earthquakes, plagues, famine, disease, and other natural disasters. My church will be persecuted. Many will be martyred and forced into hiding. A son of perdition will present solutions to the world's problems and will be accepted as a god by the masses. This false messiah will claim a new age has come to mankind. You will not be a citizen of this false new age without taking a luciferian oath of initiation. This will cause you to take the mark of the beast on your soul. Your Father and Creator will be rejected for an imposter. These events are allowed to happen because of the free will rejection of mankind of their true Father. I am, will not be mocked, and mankind will

reap the consequences of rejecting my laws and commandments.

If my children would repent and turn from their wicked ways, these events do not have to take place in your generation. My solution to you is this: And my people, upon whom my name is called, being converted, shall make supplication to me, and seek out my face, and do penance for their most wicked ways: then I will hear from heaven, and will forgive their sins and will heal their land. (2 Paralipomenon 7:14) In the Old Testament, Nineveh was spared because the people of Nineveh repented. For according to his greatness, so also is his mercy with him. (Ecclesiasticus 2:23) For God so loved the world, as to give his only begotten Son: that whosoever believeth in him, may not perish, but may have life everlasting. (St. John 3:16) My son Jesus stated: Repent and believe in the gospel. (St Mark 1:15) I implore, my children, once again, to repent, and accept my mercy through my son Jesus Christ. Ask my son to forgive you and turn from your wicked ways. Your Father and Creator is repeating this warning to mankind again. My children, you cannot serve both your Father in Heaven and Satan. You must make a choice who you will love and serve. Do not reject my warning or I may say to you, I never knew you, Depart from me. Then you will be cast into hell to spend all of eternity with Satan and those who have rejected my mercy. My desire is to spend eternity with each of you, is your desire to spend eternity with me?

He who hath ears to hear let him hear.

Amen.

LOCUTIONS TO THE WORLD

June 22, 2012
A Call to Arms

MARY

Let no one say that I have not warned the world. I have spoken time and again, at Fatima, Kibeho, Medjugorje, Akita and so many other places. I have spoken to so many and in so many ways. To the children at Fatima by visions and to Fr. Gobbi by locutions. A whole body of literature, filled with my teachings, has sprung up in the Church. Why this rapid spread of my word? Cannot the Church piece things together? How many signs are given so clearly! I will not abandon my Church. I will not abandon my children. I will not abandon the world that tries to call upon me. Abandon them to what? To the trials that are ahead, which lie right around the

corner?

Cosmic Powers

*As the fires of destruction burn more brightly, I will increase my words. I will always help you, but you must turn to me. Yes, run to the Woman Clothed With the Sun, the Woman to whom the Father has given cosmic powers. **Do not say that I work only within hearts. I can stop wars, prevent disasters, and remove the very weapons that can destroy the earth. My help will come to those who ask.** First, I must place faith in hearts, so people say “Mary can help us”. Second, I must place fidelity. They must cry out night and day. Third, I must place universality. All must call on me. I want no one sitting on the sidelines with their arms folded say “I’ll wait and see”.*

When will the churches be filled – day and night? What needs to happen so the Church gets the message? I speak to the Church because, at least, you give me a hearing.

Pastors, come before me with your people. Forsake your other tasks. They bear little fruit which is quickly swept away. Call an assembly. Come before me with hearts lifted up. I want a praying Church, an adoring Church. I want a Church on its knees and filled with repentance for all the sins of the world. If I get that kind of Church, I will work miracles in your sight.

This Stream of Disbelief is Strong

JESUS

This stream of disbelief is strong and it separates man. Disbelief, the absence of any faith in a true and personal God, cannot unite. Disbelief robs society of its oneness. Society fractures into a hundred little belief systems, each with its adherents. No one is joined. All are separated. This is the powerful stream now flowing which, more than anything else, will cause the collapse of the West.

O modern man, see the causes of your problems. You try to forge a political unity when you neglect a oneness in faith. Can the family of mankind come together when they reject God as their father?

MARY

All in the world are my children. No one is outside the scope of my love. Yet, so many do not know me and many who call on me do not know the powers that God has given to me. That is why I speak. *Jesus will come again and I am now preparing the way. I*

am preparing the world for his coming. First, the divisions must be healed. To do this requires divine power and a divine plan. As people learn God's plan, he can pour out his power. Then, God's plan will not go astray or be used incorrectly.

God's plan for unifying the world is through the unification of the Churches. Where all are interlocked by charity and truth, they will be ready to be a light to the nations of what God's power can do. This will stir up the leaders and the writers. They will see God's gift and say "We, too, must see what God is going". They will then come into a new light of unity, but the gift must begin with the Churches and Israel.

October 29, 2012
The Great Ages of Faith

JESUS

When I come in the fullness of my divine visitation, the world will be quite different. The mind of men will be purified. Disbelief will have been cast out because no one can see and hear all that will occur and not believe that there is a God whose word should be heeded. It is not that men will be perfect but the dark clouds that have hidden the great sun of faith will no longer exist. Those writers who claimed to have discovered a new world without God, a world of a mankind come of age, will be laughed at and set aside. Those who explain divine mysteries will be listened to. This is how it was in the great Ages of Faith.

MARY

Can I bring human hearts together again when so many centuries have caused division? Pope John XXIII took the first step in that direction but much was done that limited the effects of his plan. Yet, the goal was put in view, that "all may be one". Those are my Son's words. He wanted the oneness of his disciples to be a sign and an invitation to the world, that all mankind could enjoy a new oneness.

What happened to Jesus' dream of unity? Divisions broke out between his disciples and Israel, divisions which last even until now. This is the goal of Fatima, to heal the centuries of divisions between the Church and Israel, for I am a member of both.

Importance of Jerusalem

JESUS

I speak from a heart that is broken. The very places from which the great message of

peace should go forth have become the places of greatest violence. All of this is to destroy the plan of the heavenly Father who wants peace to begin in Jerusalem. That is the sacred, the holy city, the city that I entered on an animal of peace.

No one sees this mystery, nor the great importance of Jerusalem. Someday, Jerusalem will be exalted. When Jerusalem is exalted and the nations come to Jerusalem, peace will reign throughout the world. In those days, the world will bow to Jerusalem saying, "The Lord of Lord was crucified here. The Sacred Blood was shed here. This is the true way of peace". Mankind has lost its way because it has set aside my death. Let my crucified body be lifted up once more in men's hearts and peace will come.

MARY

The plan of God comes forth so slowly. It takes so many tortuous roads because man does not perceive and is not ready to put into action. Yet, this plan cannot be set aside. Even as the human race hurtles down fruitless paths and careens out of control, the plan of God moves to fulfillment. His plan is for peace not bloodshed, for harmony, not contention. It must be God's plan, established with all of its wisdom. Otherwise, peace will not remain.

The time is coming. All of the turmoil is like the pangs of birth. The tremors are the pains themselves. In all of the shedding of blood, something new will be brought forth.

It was not meant to be this way. The pangs of childbirth were not part of the original creation. Peace could have come so much more quickly if mankind had only accepted my Son, Jesus. That is the ultimate goal, that all the world will proclaim Jesus as the Lord. This will take place first in Jerusalem. From Jerusalem will go forth the saving word to all the nations.

The Drama of Human History

JESUS

All ask how this will end. The answer lies in the hands of the human race. God does not write history. He does not tell each person the role they are to play. He creates each person and has a reason for each person's existence. All, however, are free. As they freely act on the stage of life, human history evolves and comes forth. How does God guide history if all depends on man's free will? He stirs up his chosen ones. He places great desires in their hearts. He enlightens their minds, shows them what to do and blesses their undertakings. Some he makes warriors who destroy evil. Others, he makes builders who provide for many. Still others, he calls in a special way to himself

so they can guide all in his ways.

You, reader, I call to this special task. You are on the stage of human history. You have a free will and some years left in your life. **If you are willing to offer yourself, I will raise you up to save human history.**

MARY

The challenge is gigantic. **Do not be overwhelmed by all the evil that you see. Come to me and I will prepare you, just as Rebecca prepared Jacob for his father's blessing.**

Everything lies in the blessing. The blessing has power, light, protection and wisdom. All is contained in the blessing which is waiting for you in my Immaculate Heart. How often must I repeat the same truth? **My Immaculate Heart is the secret to world peace. I will empower all who enter with the greatest gifts.**

December 26, 2012
The Final Word

JESUS

My heavenly Father always has the final word. He allows men to speak and act. **Each person determines the role that they play.** However, only the Father has the final words. After all have spoken and acted, when all have made their decisions, he intervenes, and brings the story to serve his glory and man's well-being.

This is slow and often unseen, but the Father is always working his way into human life. He asks some to help him. When they fail to do so, he seeks out others, always pressing on to his goals. **Do not be fooled by his patience, nor be dismayed that he always waits for people to cooperate.** These are the means he will always use until the end of the world.

MARY

The year draws to a close but the problems carry over. So soon, man will awaken to all the harm that has been caused this year. **However, the Father refuses to take away man's free will or a nation's free will. He will attack the problems in his own way, by raising up those whose hearts are firmly committed to the spread of his kingdom.** This coming year will be a time for raising up the most important of all leaders.

October 21, 2013
Fulfilling God's Enterprise

MARY

My heart overflows and I must continue to speak. No one knows the timetable of events between Satan and God but every human person plays a role. Billions of people are caught up in this great mystery of God's plan.

O reader, do not think that you play a small role and that what you do is unimportant. You have a place in history, a call to the service of God. This is my message. Put aside the trivialities of life. Listen to the stirrings in your heart. Listen and you will hear my voice. I need you. I need your prayers. I need your sacrifices. I will train you. I will teach you. I will make your heart like mine and you will overflow with my thoughts and my desires. Then, we will fulfill the great enterprise of God's plan.

Changing the Future

MARY

Man I speak because I want everyone to see as I see and to understand the powers that are leading mankind into the darkness. y will not care because they do not worry about the future. Others will ask, "What can we do anyway? The world lies in the hands of the important people."

I speak clearly because every single person is important. The most important are those whom I love and whom I choose as my instruments.

Come, all you who believe, all who daily read these locutions, we will change the course of world events. We will prevent disasters, overcome evil, and remove destructive leaders. All is possible.

I do not speak to discourage. I do not reveal a future that cannot be changed. I speak now so that the future will be quite different than if we did nothing.

Take up the task. The year is still young. Commit yourself to my cause and let the blessings flow from my heart. We will work together.

An Overview of the Human Drama

MARY

Where will all of this end? Where does the road lead? That is still undecided. The heavenly Father has his plan for world history. He invites. He enlightens but he does not impose his plan. Man is free, able to accept God's invitation or to walk a different path.

History is not a drama in which each person is forced to play a role, good or bad. Human history is God's plan and it will end up with the great victory of his Son, Jesus Christ. He will be triumphant, with all the angels and saints. That part is unchangeable. How and when that moment arrives, who will be counted among the elect, how each person will share or not share in Jesus' victory is not predetermined. This drama plays out every single day in the choices and actions of every living human person.

Behind the scene, are two forces – divine and demonic, good and bad. They are not equal forces. Satan, in the end, will be destroyed and cast forever into hell. As yet, he is still able to greatly influence human history, mainly through people whom he controls or has some power over. This is what I constantly teach. His activity is planned and is now coming to a culmination. The great war, described in Revelation, Chapter 12, is beginning. I am the Woman Clothed With the Sun, Satan's great adversary, hidden until this age but now being revealed. Everyone, but especially the Church, must listen to me and do as I say. Otherwise, Satan will continue to enjoy more victories.

July 4, 2015
Revealing God's Plan

MARY

I want to reveal the great powers and blessings which come from my heart. No mind, human or angelic, can grasp these mysteries by which the heavenly Father sent His Son into my womb. The Son, himself, deposited greater mysteries and, in the fullness of time, the Spirit himself completed the gifts. Like a loving mother, I kept all these treasures, not losing a single grace.

In these little locutions, I give only the smallest hint of what lies buried within me. Yet, even these few words will turn every mind to the light.

First, I see the Father's plan for the whole world and for each individual person. No one, even the greatest saints, can grasp the fullness of His desires and all that He wishes to do.

Who can know the mind of God? Who can understand what He desires for His

children? His light would be too bright and His love too overpowering. He places everything in my heart, so I can reveal His plan like a mother, piece by piece, part by part, in ways that the children can be fed.

Children of the Locutions, come to me and I will reveal God's plan for your lives. I will reveal His love (so inexpressible!). You will see without being blinded. You will accept without being overwhelmed.

If you have walked in my light for years, I will provide greater light. If you have lived in darkness and sin, I will release a gentle light which will attract you to goodness. Come, everyone. If only you saw the Father's plan, you would say, "I have found the true light. I have discovered why I was created. I have finally found the path of life."

I promise this to all who come to me. These secrets are meant to be revealed. This light must go forth. You are beginning to understand. Jesus has placed all of God's treasures in my Immaculate Heart to be given to the whole world.

At the End of Each Day**

MARY

Each day, the river of heaven and the river of hell flow into the ocean of mankind. Mankind is not the same at the end of each day. He has invited and accepted either the water of hell or the water of heaven. Many are quite unaware of this because the change is imperceptible. Then, a moment comes, a decisive moment, when what existed is swept away. Only then can people see what had been happening.

Such is the state of the world and this moment in human history. How often I have said that, for centuries, the streams of hell have entered human history. Yet, all seems the same. The moment has not yet happened when everyone sees that history is changed.

Then, comes the collapse, the complete falling apart of society's structures. Life is no longer the same because mankind has for so long welcomed the satanic waters, accepted their pleasures and their gifts, without knowing their origin or their price.

There is a whole collection of evils, which are accepted by many and have pierced to the heart. These satanic evils penetrate the very fiber of mankind. To eradicate them will require another flood, as in Noah's time. This is my great dilemma. I am a mother who sees my child (mankind) so filled with infections that he is impossible to cure without causing his death.

That is why I delay. The needed medicine would be too powerful for his system.

This is my plan. I will pour heaven's waters in the greatest abundance into this ocean. These waters can only change a small part of the ocean, mainly within the Church. This small part, however, I will bring to the highest level of faith and to the greatest moments of fervor. When I have prepared this little segment of the ocean, I will be able to send upon the ocean a great gift for all mankind. This great gift of Fatima will enter the ocean from a small part of my Church. All will be affected.

O reader, is not my plan clear to you? Do you wish to become part of the little group that will receive the gift for the whole world? Just come to me in fervor and live out these locutions which I give each day.

THE BOOK OF TRUTH (Maria Divine Mercy)

**Era for the multitude of false prophets sent by Satan
Saturday, October 8th, 2011 @ 16:20**

My dearly beloved daughter, as My genuine visionaries go forth into the world, so also will the false visionaries. You will know them by carefully scrutinizing their messages for the world. For somewhere within, you will find that My Teachings and the Truth contained in the Most Holy Bible have been tampered with. So subtle are these untruths, that only those with true knowledge of the Holy Scriptures will be able to spot them.

Watch out for any hatred, which such visionaries create amongst their followers, when they fight, divide and split up families. The cults that emerge from such visionaries' work will now surge forth into the world to cause confusion and anxiety amongst believers.

Wherever My Holy Word is contained you will find Love. My Messages breed love and harmony and will not fail to affect your soul. My Messages will always speak the Truth and while stark and frightening at times, they are being given to you, My children, out of Love.

False visionaries will impart messages that are not easy to read or understand. On the face of it, they will exude a sense of authority and create a feeling of love. They will not, however, bring you peace of soul. Such visionaries, many of whom, are not of God, seduce first, then control, until finally they suck you into a bed of lies and deceit.

Satan and his army will influence such false visionaries and seers. He can even attack

genuine visionaries when he encourages them to wander away from Me in confusion. I urge you, children, to be on your guard at all times.

Denounce messages, which contradict My Teachings in any way, for you can then be sure that they are false.

I only speak through a select number of authentic visionaries and seers in the world today. There are less than twenty and fewer than you think. Each of them, have been given a different role, but My Voice and My instructions will have a ring of familiarity, which you will detect. There will be a purpose to their messages, all of which are designed to encourage action on your part to prepare your souls.

Any actions encouraged by those who call themselves visionaries and seers, which seem strange, or which encourage their followers to take actions, which do not involve the love of your neighbour, then turn your backs.

Heed now, for this is the era of the false prophet, who will make himself known in the world shortly. So also is it the era for the multitude of false prophets sent by the deceiver into the world to cause confusion and a darkness of soul.

YOUR BELOVED JESUS

False Prophet will be treated like a living Saint. Those who oppose him will be considered heretics

Saturday, January 21st, 2012 @ 13:15

My dearly beloved daughter of My messengers in the world, appointed to spread my Holy word have each been given a different role. No two the same.

This is why My messengers must never confuse each message by comparing them with one another.

You, My daughter as the 7th messenger, have been chosen to inform My children of the truth. Much of My truth has been given to you already but much more is to come now.

Because of the secrets contained within these you will, when they are revealed, be ridiculed, sneered at and made to look like a fool.

These messages are to help purify My people including those who accept the calling to follow Me as well as those souls empty of love and cold of heart.

Without this cleansing the earth cannot be purified. It needs to be purified in order for it to be made worthy for Me to walk it again.

My children must rejoice. Fear is not something which comes from Me.

Fear comes from evil. Yet you would be forgiven and justified when you fear for those souls who walk in blindness. Not because they cannot see but because they choose not to see.

Your duty to Me, My beloved army of followers, is to help Me prepare the way for My forthcoming Divine Reign on earth.

I need your help. I need your prayers. Your prayers will weaken the work of the anti-christ as well as the false prophet who will take up position in the Holy See of Rome.

To all My children you must know that I am all forgiving. Even those who are involved with satanic groups, about whom I speak, can be saved from descending any further downwards to the gates of Hell.

Sin can be diluted because of prayer. You do not have to go into battle and fight with your fists raised all you have to do is to pray.

My New Paradise is magnificent children. So much preparation has been completed with the same wonders as presented to Adam and Eve which they rejected through sin. All is ready.

You My followers will benefit from the beautiful New Paradise on earth over which I will reign.

Because you, of this generation, have been selected to enjoy this Paradise you must not stop in your work to help Me take all of My children with Me into My Glorious Kingdom.

My children be aware, however, that the false prophet will have you believe he is also preparing you for a similar place of Paradise.

His lies will enthrall a naïve group of Catholic followers. He will present a wonderful and loving external charisma and all of My children in the Catholic Church will be confused.

One sign to look out for will be his pride and arrogance hidden behind an exterior false humility. So fooled will My children be that they will think he is an exceptional and pure

soul.

He will be treated like a living saint. Not one word out of his mouth will be questioned.

He will also appear to have supernatural gifts and people will instantly believe he can perform miracles.

Anyone who opposes him will be criticised and considered heretics.

All such souls accused of being heretics will be cast aside and fed to the dogs.

All truth regarding My teachings will be twisted. Everything will be a lie. Persecution will evolve slowly and be subtle at first.

My true Sacred Servants will have to say Mass privately and in many cases not in a Catholic Church.

They will have to offer Masses in refuges. Children when this happens you must not lose hope. This will be over within a short period of time.

Just pray for those souls who will, in their pledge to the False Prophet, forget about the Blessed Trinity which is the very foundation upon which The Catholic Church is built upon.

Many religions follow just one entity of the Blessed Trinity. Some honour the Father. Others the Son but all are one My daughter.

There is only one true God. That is the Father, the Son and the Holy Ghost, three distinct persons all in one divine essence. All religions will be given the truth soon and many will accept this holy mystery.

Follow Me towards the path of salvation for you, My followers, have a glorious future ahead but you must remain strong.

This is the chosen generation for My New Paradise on Earth.

Don't reject this glorious gift of life which glitters in all its magnificence. Not one soul will want for anything. My New Paradise on earth will be an era of peace and happiness without sin.

This is the divine will of My Father and has been His promise to mankind right from the start.

Be joyful and happy for you have much to look forward to children.

The trials ahead will pale into insignificance when you will witness the glorious Kingdom which is waiting for you.

*I love you children. I know that you love Me. **Because of this I ask you to show love to those who are blind to My Holy Spirit.***

Pray for them at every opportunity so that they can see again the truth of My promise made to mankind when I died to secure your eternal salvation.

SAVIOUR OF ALL MANKIND**

December 3, 2016

Come Holy Trinity and all of Heaven with God the Father's words to His children

My most beloved son, this is God the Father of Heaven and earth. I come to teach My children about the prophets and messengers of the past and today. My prophets and messengers are to warn My children of what is going to happen if they do not listen to My warnings. I have been sending My Mother and Son often the last few years to warn my people of future events if they keep living in satan's sin. My prophets are not supposed to be right in the outcome of what they say. Their messages are warnings to you of what will happen if My children do not listen and turn back to the Ten Commandments.

Look at Jonah in the Bible and all the other prophets that came to warn My people. If the people listened to the prophets, the chastisement could be lessened and changed. But, if they did not listen to the prophets, all the warnings happened as I said. I keep warning My children just as a good father on earth keeps warning his children to save their souls. You cannot live in sin like America and all the world are living in sin very long without paying for it. Prayer can still lessen some of the effects of what is about to befall America and if the majority of the people would get on their knees and beg My forgiveness and put the Ten Commandments back into everything, some of the natural and physical disasters could be lessened.

*I was very happy with your election but you must pray every day for your new leaders and pray hard because satan is like a wild dog cornered and he will do anything to kill and maim My children now. **But remember that I am God the Father and I am in control and satan can do only what I permit because of the sins of My children. That is what free will permits, My children can save the world or destroy the world by the choices they make with the free will I give to them. You can take the free will I give to you and throw it back into My face and give it to satan and destroy the world and suffer much, or you can live in My Ten Commandments and give Me and your neighbor love, honesty and peace and save the world and be happy.***

I am no different than a loving father who corrects his children over and over until the day he has to say, 'enough is enough' and he takes everything away from the children to teach them a lesson and then they have to say 'yes' to their father or 'no' to their father or go out and suffer the consequences of the evil world.

Please, My children change soon and go to Confession as Catholics or get down on your knees before Christmas and ask forgiveness for your sins with a forgiving heart or else pay the price of deep suffering. And, pray for all sinners because all My children are sinners because of original sin. Love, love, and more love, God the Father of Heaven and earth. Thanks, My son for writing. I love all My children very much.
