

Prophecy - September 2018
- Our Lord Jesus Christ -
For Your Attention - Urgent Message To The People Of New York

INTRODUCTION (By a soul):

I believe that **Christina Gallagher of Ireland** is an authentic visionary of Our Lord. However, I am not apt to check her official website (<http://www.christinagallagher.org/en/>), as her public messages from Our Lord and Our Lady are so infrequent. However, for those who are unfamiliar with Christina, I want to encourage people to visit her official website to learn more about her, her prophecies, and her houses of prayer (refuges).

In September 2018, Christina received a very important message from Our Lord, Jesus Christ, about the United States, and in particular, New York, and building a house of prayer on the outskirts of the City. I am posting on this blog, *MaryRefugeOfHolyLove*, the heavenly message and information as it appears on Christina Gallagher's website, however, for those who can help and want to learn more, please I want to encourage you to visit the official website.

One of the reasons that I believe in the heavenly messages given to Christina are the many fulfilled prophecies given to her by Heaven. While prophecies can change and be mitigated by prayer, Christina Gallagher accurately prophesied years in advance the collapse of the Twin Towers on 9/11 and the 2004 Christmas Earthquake and Tsunami in the Indian Ocean. I am only aware of two other Christian prophets who were given advance knowledge of these two major disasters affecting mankind: **Vassula Ryden of True Life in God** (<http://www.tlig.org/>) was given prior knowledge of the Twin Towers 9/11 Collapse; and **Valentina Pagagna of Sydney, Australia** (<http://valentina-sydneyseer.com.au>) was given prior knowledge of the 2004 Indian Ocean Earthquake and Tsunami.

As followers of this blog, *MaryRefugeOfHolyLove*, know, on June 7, 2018, Our Lord, Jesus Christ, first prophesied to visionary, **John Leary** (<http://www.johnleary.com>), the collapse of the Freedom Tower in New York City. This prophecy was collaborated independently to another Catholic visionary, **Anna Marie of the Apostolate of the**

Green Scapular (<https://greenscapular.org>) on June 10, 2018, in which Our Lord, Jesus Christ, indicated that the faithful needed to pray hard throughout the summer months until October 1st, for God the Father to intervene to prevent the terrorist attack.

Jesus Christ – Please Pray Hard Until October 1st – Prophecy About Freedom Tower Collapse – June 2018

(<https://maryrefugeofholyllove.com/2018/08/05/jesus-christ-please-pray-hard-until-october-1st-prophecy-about-freedom-tower-collapse-june-2018/>)

Today, it is October 25, 2018, and thus far, there has been no attack or collapse of the Freedom Tower. *Praise God!*

However, I became only recently aware of the heavenly message given to Christina Gallagher in September 2018, which I am now posting to this blog, *MaryRefugeOfHolyLove*, for readers further consideration. And, on October 8, 2018, Prophet John Leary was given another message from Our Lord, Jesus Christ, prophesying a collapse of the Freedom Tower.

Now, based on these recent heavenly messages, I, "a soul," believe that the many prayers of the faithful to prevent the collapse of the Freedom Tower during the summer months have delayed but not cancelled this prophecy for New York City. I believe that God the Father is giving us now a limited time of grace for a house of prayer--under the direction of Christina Gallagher--to be built in the outskirts of New York City, so that the gathering faithful can stop or mitigate by prayer this terrible prophecy.

And so, by way of this post, I am hoping that blog followers can help this special heavenly effort by their frequent prayers and/or monetary donations to be sent directly to Christina Gallagher's House of Prayer in Minnesota, USA. Per Christina, there must be **NO FUNDRAISING**, but I, "a soul," want to encourage blog followers to share this need--even this blog post--with others, so they can be made aware. And perhaps, as Jesus indicated that we only have "*a very short time to answer His(My) call,*" a blessed person will step up and donate land/house/property for this effort.

**There must be NO fundraising
for the New York House of Prayer**

Anyone wishing to contribute should send their cheque
ONLY to : Our Lady Queen of Peace House of Prayer
33932 County Rd. 18
Sauk Centre, MN 56378
Tel: 320-352-9954

In the meantime, I am posting first the most recent October heavenly message given to Prophet John Leary about the still-forthcoming prophecy about the collapse of the Freedom Tower. Then, what follows afterwards, is the information and heavenly message from Christina Gallagher's official website.

God bless!

Prophet John Leary

JESUS CHRIST

*“My people, you heard a good explanation of the Gospel of the ‘Good Samaritan’ by the priest. You were told the first and second Commandments of loving Me and your neighbor as yourself. Then you were given an explanation of who your neighbor is. You are to love everyone, even those people you call your enemies. I love all of you, even those people who do not love Me. **I am showing you more destruction that will be brought upon you by your enemies. You are seeing the smoke and destruction of your Freedom Tower.** The devil and the one world people are so angry at your President for undoing all of their plans, especially putting in two justices on the Supreme Court. This is why the evil ones will be striking back with a major evil event to try and stop what your President is doing. You are seeing the frustration of the one world people, and they will be planning more violence for your mid-term elections. Pray for your country because you will be going through some dark times. When the evil gets so bad, I will warn you when it is time to come to My refuges.”*

**URGENT MESSAGE
TO THE PEOPLE OF NEW YORK**

JESUS

said through Christina Gallagher
on September 3rd 2018

**"I desire a House of Prayer
on the outskirts of New York
but only if it is put in place swiftly"**

On the flight to Minnesota, September 3, 2018 Jesus said,

"I desire a House of Prayer on the outskirts of New York but only if it is put in place swiftly. It is of the utmost importance to save souls and for the protection of New York and its surroundings. People are to listen and this time let there be no excuses if they desire safety - it will not be said again."

During turbulence on board the flight to Our Lady's House in Minnesota Jesus spoke again,

"Have no fear for it is I who brought you here and you speak truth in My Wisdom for all to hear. It is only the foolish man who permits his ears to become deaf so as not to be able to perceive My Truth and Wisdom: yet many ask questions and make comments and judgements which wound My Sacred Heart. It would be better for such

people to open their hearts and recognise it is I who am speaking Truth through My vessel for all to hear and recognise.

I desire this House on the outskirts of New York as a must for many to receive protection for there will be many there who will be able to respond and uphold it. There were those who shut their ears and eyes and permitted their hearts to close to My call and justice is about to come upon them. Great disasters are to come to many parts of the world and especially in the Americas. Leaders in authority in the Americas have become very united in the darkness of the world. They welcome and hail all that is of death and have brought to themselves all in the seduction of the powers of darkness.

How the many within My Church shame Me Woe unto you, godless men! Pray, pray, pray!

People are completely unaware of the dangers about to befall New York. I plead with you to listen, make haste and respond to what I ask of you. I desire to protect and help you but you must decide and failing this you will draw upon yourselves great sorrow through the destruction of not responding. I beg you to make haste to put this in place. Let the guidance of this be with My vessel through the wisdom I have imparted to her. Do not take it upon yourselves without her guidance as has been in the past - which has led to a 'fruitless pearl' for many.

I want you to make known to the world the grave danger, especially for New York. California - its people will receive much through their rejection of Me, their Lord. How so many merry and unite in the powers of evil in the dark art of the deceiver. Many little ones aborted cry out to their Father through My Life that this awful craft of death come to an end but humanity unites more strongly with death rather than acknowledge Life of Me their Saviour. I will permit a disease to fall upon those that are predators of the innocents and depraved in the nature of their being. They bring to My Sacred Heart great sorrow and bring about much destruction of their souls and country.

There are leaders uniting in the next stage in their pact to bring about the third world war. This is hidden from the world. Your island of Ireland is in its deep decline into its mire of sin and death. They move faster than many parts of the world and if they choose not to change and turn back to Me, their cries will reach Heaven itself in poverty, hunger and disaster. I desire you bring My Truth throughout the world. I will guide and inspire you as to where.

(Jesus then gave a personal message for Christina's spiritual director.)

Woe to those who in the little of what they offered through the Houses they have provided in the greatness of the call of My Mother, have permitted them to be lost in their lack of fulfilment thereby depriving them of the fruitfulness of My Mercy. They were like he who walked on the water - their faith was weak and they allowed the Houses of their Mother to be let loose and not bear fruit. They forget the few who were beneath the cross where salvation was won for all humanity beside My Mother. Their weakness brings My Mother's Heart to weep tears of blood - o ye of little faith! All dealings of My Mother's Houses must be in the knowledge of My vessel otherwise they will only bring about a fall.....

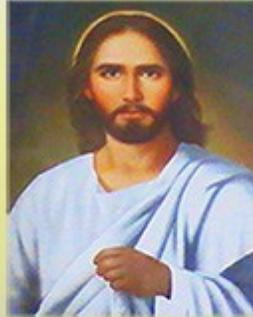

A private message followed.

I bless you, Father, Son and Holy Spirit."

NB. Those wishing to participate in this call for the protection of New York should make their cheques/bank drafts payable to **"OUR LADY QUEEN OF PEACE HOUSE OF PRAYER"** and write in the memo at the bottom of the cheque **"for House of Prayer in New York"** and send their contribution to;

**Our Lady Queen of Peace House of Prayer

FOR YOUR ATTENTION NEW YORK

FURTHER MESSAGE FROM JESUS

through Christina Gallagher

September 2018

Christina says regarding God's call for a House of Prayer on the outskirts of New York;

I have consistently and faithfully made known to the world the message given to me over the past 30 years by Heaven. The truth of that message is clear for all to see in its fulfilment and it is additionally upheld through miraculous healings (authenticated by consultants) and conversion testimonies numbering into the 700's. World events have occurred exactly as predicted, thereby upholding the truth of what was given to me. That fulfilment speaks for itself: it is already a matter of fact. Some examples of these are; the Indian Ocean tsunami disaster which smashed into 9 countries across Asia killing a quarter of a million people on December 26, 2004 was shown to me and published by me beforehand in my autobiography, the earthquake in Iran which killed 5,000 people on their way to worship at Mecca which I could see three weeks before it occurred, the genocide in Rwanda shown to me a year before it happened and the war in Chechnya two years ahead of its occurrence. The declaration I made of the destruction of the Twin Towers in New York was two years to the very day before they came down. As far back as 1995 I received the knowledge of the weather changes in great detail before such

destructive extremes could even be imagined. Likewise, when the economic boom was at its height and I gave the message that the stock market would shortly collapse, people reacted with disbelief but as with every other revelation given to me, it was rapidly fulfilled to everyone's shock. It was a similar pattern when I warned that Ireland would have abortion, euthanasia and same-sex marriage - people were adamant that such legislation would never be enacted in our country yet the same people were dumbfounded to witness that the Irish people rushed with lightning speed not only to usher in same-sex marriage and a liberal abortion service with all costs borne by the state but to publicly welcome the outcome with festivity. As far back as 1992 I publicised how uniting of the currencies in Europe was the first step to be followed by others (a cashless society, a one-world bank, a one-world government and ultimately a one-world Church [not of God]) - all intended to bring about and impose absolute control, culminating in the 'chip', the mark of the beast which is mentioned in Scripture and through which we hand over our soul to the control of the evil one. World events show the rapid progression of this movement while so many remain blind and heedless to the dangers that surround them.

I must assert that I give the most recent message about a House of Prayer of reparation on the outskirts of New York with the same clarity and force with which I have conveyed every other message I have received. I cannot emphasise strongly enough the devastating danger that awaits New York and the pain I feel at the deafness of people to the merciful call of God who wishes to protect you. It brings me back to the moment when I stood on the steps of the Marriott Hotel next to the Twin Towers on 9/11, 1999 and responded to Judge Dan Lynch that the Twin Towers would come down if the American people did not turn back to God and I knew my words caused embarrassment and disbelief, yet two years later when the calamity occurred, he quickly phoned an Irish radio programme to recall the prophecy I had given and to uphold it. I say now to the people of New York, it is entirely up to yourselves what you do. My responsibility is ended when I convey to you what I have received in the most recent message and I will not be repeating it again. However, I can and must assure you that what is given will take place - like all else that I have received. While I was made aware of the manner in which the destruction will take place, I do not feel it would serve any purpose, other than curiosity, to engage in discussion at that level. Everything depends upon your free response to God's offer of mercy.

I leave you with the words Jesus spoke on my return journey from the United States,

"...My people of New York, you fail to hear and take to heart My call. You have a very short time to answer to My call. Your life is so busy with everything of the world and that of the flesh. I do not exist in your lives but when the chain of power begins you will realise how foolish you have become. I call you 'man of sorrow' for that is what you have been in My Heart. Listen in humility to My Wisdom through My messenger

regarding the existence of New York for it will be disintegratedto a non-existence while you are asleep and it is too late to awake you. Time is NOW. Your time is short. As I said, I will not call again. The choice is yours. My people, I love you. Turn to Me while you have time. Accept Me as your Lord and Saviour."
