

## **How To Win The Battle Over Your Soul From Falling Into Hell**

### **For Those Who See satan at The Warning of Garabandal (Illumination of Conscience) Or at the Passing Over Into Eternal Life (Moment of Death)**

I am God, Your Lord and Savior, JESUS CHRIST.

I died for all people to save each of you from hell. I know that My children need help to save their souls from satan and falling into hell at the moment of passage into eternal life and at the time of The Warning of Garabandal, also known as the Illumination of Conscience. Know that I help those who place trust in Me and My Promise to save them at the time when life ends.

Understand that I cannot choose for you. You have a free-will choice for eternal salvation or damnation. I, JESUS, can only come for those who believe in Me. Please know that those who are guilty of sin will see satan and hell first. Then, I save those who remain hopeful in Me to come after satan arrives. Understand that hope is the key to eternal life with Me in Heaven.

Conquer your fear of death by hoping that I can save you. Do not trust lies about this message from God. Eternal joy can be yours if you follow this message exactly.

I love each of you with all My Heart to provide this grace of truth for you all today.

Amen.
