

HOME PROTECTION KIT INSTRUCTIONS

The home protection kit consists of four small canisters filled with blessed objects. A canister is buried at the four corners of the property while a prayer is recited at each corner. Here is the description of the contents of the canisters and the prayer:

Four small canisters are created containing the following items:

1. **A Miraculous Medal** (for Blessed Mother to dwell in the home and miracles to take place);
2. **St. Michael the Archangel Medal** (for St. Michael the Archangel to fight against evil spirits and to rid the land and home of any evil);
3. **A Holy Family Medal** (so that Jesus, Mother Mary and St. Joseph will bring peace and love into the family);
4. **St. Benedict Medal** (to exorcise the demonic spirits from the land)
5. **A piece of blessed palm leaves** (from Palm Sunday, welcoming Jesus to come and live in the home);
6. **Exorcism Salt** (to protect the boundaries of the land/yard).

The small canisters are to be buried separately in the four corners of the land/yard. The following prayer is used:

“Visit, we beseech Thee, O Lord, this dwelling, and drive far from it all snares of the enemy; let Thy holy Angels dwell herein, to preserve us in peace; and let Thy blessings be always upon us through Christ our Lord. Amen.”
