

**IMPORTANT COMMENTARY**  
**VACCINATIONS AND THE MARK OF THE BEAST**

By a soul

**December 9, 2020**

In view of the increase of China corona virus cases, there is concern over taking a vaccine for this disease. Here are some comments from some internet stories you can see online:

***“For the first time in the history of vaccination, the so-called messenger RNA vaccines of the latest generation intervene directly in the genetic material of the patient and therefore alter his or her individual genetic material, which represents genetic manipulation, which was already prohibited and hitherto considered criminal. Even though the media and politicians are currently trivializing the problem and even foolishly calling for a new type of vaccine to return to normality, this vaccination is problematic in terms of health, morality and ethics, but also in terms of genetic damage which, unlike the damage caused by previous vaccines, will be **IRREVERSIBLE and IRREPARABLE**. If a vaccination symptom develops after an RNA vaccination, no therapist will be able to help you, as the damage caused by this vaccination will be genetically irreversible. **This mRNA vaccine for the vast majority of people should be banned because it is genetic engineering.**”***

**Thursday, December 10, 2020**

**Jesus said:** *“My people, I have given you many messages **NOT TO TAKE THIS VACCINE**, which uses genetic materials that will **PERMANENTLY** change your DNA. I am making a point of this now because your medical people will soon be giving out this vaccine to supposedly heal you from the corona virus. This vaccine is worse than the virus, and you could die more from the vaccine than the virus itself. This plan of a virus and vaccine is part of a one world plan to reduce the population. If the authorities try to mandate this vaccine, I will call you to the safety of My refuges where you will be healed.”*

**Wednesday, December 9, 2020**

**Jesus said:** *“My people, for months I have been warning My faithful not to take any*

*virus vaccine shots and not to take any flu shots either. I have warned you that these vaccines will ruin your immune system, and genetically modify your body. Any vaccine reactions will have little chance of being counteracted in your body. This Chinese virus and the vaccines are a Bill Gates plan to vaccinate the whole world. This is also their plan to reduce the population of the world, meaning people could die or be sterilized from these shots. Some law makers are already planning legislation to make these shots mandatory. Refuse to take any vaccine, even if they threaten to kill you in detention centers. I will call My faithful to My refuges if they threaten your lives. Trust in Me to protect and heal you from any virus at My refuges.”*

### **IMPORTANT QUESTIONS:**

This past weekend, I, “*a soul*”, of ***MaryRefugeOfSouls***, was able to have a conversation with Our Lord, Jesus Christ, about the Covid-19 vaccinations. Below is some of the information that Jesus provided to me. Note, I do not normally experience locutions (verbatim dictations) from Heaven. Instead, I am able to sometimes converse with Jesus as part of my prayer time with Him. So, I asked Him several questions as part of a free-flowing conversation. The following is a general paraphrasing of some questions that I asked and a summary of His answers to me.

\* Please note that although the following commentary addresses health and moral matters, I, “*a soul*”, am not a medical or health expert, or a religious authority or priest, or legal professional. Ultimately, it is up to each person who reads this commentary, to make their own personal choice for themselves and their families on the merits of the Covid-19 vaccination, as well as to research and make an informed decision for their own health and personal safety.

#### **1. Are the Covid-19 vaccinations considered the “mark of the beast” in the Book of Revelation?**

No, the current way (first wave) that the Covid-19 vaccinations are structured, they do not contain the mark of the beast. However, they are a “precursor” to the mark of the beast and will make abnormal genetic changes to the human body making it more receptive for the later vaccinations which will contain the microchip (mark of the beast).

The biblical mark of the beast primarily deals with buying and selling; it is in the form of a microchip that will be received like a vaccination; and is associated with a deadly disease.

Before the biblical mark of the beast is introduced and implemented on mankind as a mandatory vaccination, the Warning (Illumination of Conscience) will happen

universally on mankind. During the Warning, God will tell every person what the mark of the beast is and He will warn every person that if they take the mark of the beast, they will automatically lose their salvation in God resulting in damnation in hell upon death. So every person will be informed about the mark of the beast and it will be their free will choice to jeopardize their salvation by taking it.

## **2. Will taking the Covid-19 vaccination result in an automatic loss of eternal salvation?**

**JESUS says “No”.**

In their current form, the Covid-19 vaccinations do not contain the mark of the beast; thus, there is no loss of eternal salvation at this present time by taking it.

However, because Covid-19 vaccinations cause genetic manipulation / engineering of our DNA/RNA in every cell of our human body, it is a grave (mortal) sin to take it. As with every mortal sin, there is the risk that if a person dies unrepentant, they will be damned in hell upon death.

The Blessed Mother Mary says, “God cares about people remaining genetically pure in His Holy Sight”.

The major sin that was committed in the days of Noah (before the Great Flood) was genetic manipulation / engineering – humans (with souls) were mating with non-humans (satan's animal-like persons without souls) – until only Noah's family were the only genetically-pure humans on earth and were the only genetic bloodline from which the future Messiah (Jesus Christ) could be born from. So, because the world was so corrupted in evil physically and spiritually, this resulted in the Great Flood and the human family had to start again from only Noah's family. Every living human today has descended from Noah's family.

## **3. Will people be healed from physical damage from the Covid-19 vaccinations at the refuges?**

The answer is, *it depends*. This is a personal judgment call between God and the person.

**Sacred Scripture: Leviticus 5:17:** “If a person sins and does what is forbidden in any of the Lord's commands, even though he does not know it, he is guilty and will be held responsible.”

A person who takes the Covid-19 vaccination will be guilty of committing a mortal sin due to it involving genetic manipulation / engineering. However, if the person repents of this mortal sin, they will be permitted entry into the refuges during the Great

Tribulation.

At every refuge, there will be either holy water with healing properties or a luminous cross that will heal people physically and mentally of any ailments, diseases, abnormalities, deficiencies, and handicaps, that the person may have.

However, whether a person who takes the Covid-19 vaccinations will be healed of the physical damage that they may take on due to changes in their DNA/RNA depends on their knowledge – their *personal culpability* before God. People will be held responsible for the level of personal knowledge that they have about the resulting genetic mal-effects of taking the Covid-19 vaccinations.

For example, let's say that a person receives some sort of physical damage due to the genetic manipulation / engineering of the Covid-19 vaccination, such as random seizures, physical paralysis, muscular atrophy, a blood disease, an auto-immune disease, sterilization (men and women), etc. *\* Note, this list is not exhaustive of possible physical repercussions due to any type of genetic tampering with a person's DNA/RNA. Please see the end of this question for additional important information about the vaccine.*

If the person TRULY had NO knowledge of the genetic engineering aspect of the vaccination, PRIOR to taking the shot, and the person repents afterwards upon finding out that s/he engaged in a mortal sin, then God will heal them of the physical damage at the refuges.

However, if the person KNOWINGLY took the Covid-19 vaccination despite being informed of the changes to their DNA/RNA in their physical body and they experience any physical damage – no matter how major or how slight – God will hold them accountable for the risk that they took by taking the shot. God will always heal the person spiritually – meaning, if the person repents, He will forgive them for their mortal sin and they will not be damned in hell for this sin if they die. However, God will NOT heal them of the physical damage that they incurred due to the vaccination at the refuges. Instead, the physical damage will be used as part of their purgatory that they will suffer on earth during the Great Tribulation. Then, if they live to the time of the Second Coming of Our Lord, they will be physically healed at the moment when they received their transfigured body as part of the First Resurrection (see the Book of Revelation).

Again, this is a judgment call between God and the person. As a person may have partial versus full knowledge and other mitigating factors that may result in a lessening (partial healing) of the penalty of a full physical suffering of their purgatory on earth. An appeal to the Blessed Mother Mary may also help in mitigating a full penalty.

*\*\* IMPORTANT INFORMATION: During clinical trials, any type of physical damage that occurred in less than 2% of the sample group is not required to be publicly reported. For example, if out of a sample group of 100 people, all 100 people incurred physical damage, but each person had a different disease or physical symptom (1% each person), then the vaccine could be declared 100% safe for public use although all 100 people were harmed in some way. \*\*\* Also, during some clinical trials, there was not 100% follow-up on every person who was vaccinated. For example, 10,000 people may have been vaccinated but only 3,000 people were sent follow-up questionnaires. \*\*\*\* Also, the federal government is permitting vaccines to be approved for use ahead of full analysis of the collected scientific and health data. The pharmaceutical companies are being given up to 2 additional years to complete analysis of the clinical trials. \*\*\*\*\* Please note that according to federal law, you cannot sue a pharmaceutical company for compensation due to being physically harmed by a vaccine. \*\*\*\*\* Covid-19 vaccines are causing people to test positive for HIV.*

**4. If people are held to a higher accountability for their knowledge of the genetic engineering aspect of the Covid-19 vaccinations, perhaps, it is better that I do not tell them of this?**

No, it is NOT better to stay silent about the genetic manipulation / engineering of the Covid-19 vaccinations. Evil flourishes when good men stay silent about sin; this is why the world is in such a state of evil today. Christians always have a serious responsibility for sharing the Gospel with others, including helping to rid the world of mortal sin within their sphere of influence.

If you know that someone is going to take the Covid-19 vaccination and you do not tell them about the shot altering their DNA/RNA, then you will become an accessory to someone else's mortal sin and you will have committed a “mortal sin of omission” before God that will need to be forgiven in the Sacrament of Reconciliation (Confession).

Now, for example, let's say, your neighbor will be taking a Covid-19 vaccination next week due to workplace requirements, but you do not know her too well and would feel embarrassed to bring up the topic. So, you tell yourself, I will stay silent and just go to Confession the next time that it is offered for the mortal sin of omission. Please understand that is like committing two mortal sins instead of one. That is because you are breaking the Two Greatest Commandments of Holy Love – to love God above all else (you are disrespecting Him and His commands) and to love neighbor as self (you are disrespecting the human dignity and physical integrity of another person). So, even though God will forgive you the sins in Confession, your penalty (suffering in purgatory) will be more than double what it would have been for just one mortal sin. By Catholic Tradition (private revelation), it is said that one mortal sin equals seven years in

purgatory (*Note, Jesus has told me that God will a person accountable to a measure of time of suffering in purgatory as He sees fit as not all mortal sins are of equal measure*). Meanwhile, your neighbor will have committed a mortal sin regardless and if she suffers physical damage due to your silence, this will add to your own penalty (suffering in purgatory), although her lack of knowledge may enable her to be healed at a refuge.

There are many types of hypothetical scenarios that can be considered regarding the accountability (culpability) for mortal sin before God. A person needs to consider their questions in prayer with the Lord. An appropriate person to ask for further guidance with mortal sin would be a priest or a servant of God. However, I want to address one final scenario, because I know this will surface and people do need some advice on this.

Now, for example, let's say, that you are a parent of a child who attends public schools and they have implemented mandatory Covid-19 vaccinations without any religious exemption, so you permit your child to be vaccinated despite knowing about the genetic manipulation / engineering. Please know that since you are a parent who has been given custody by God of raising up a child, you are held at a level higher than others in responsibility (culpability) before God for all your actions involving that child. Until the child reaches the age of maturity – which is the age that they assume adulthood – your child is dependent on you as his/her parent for their physical, emotional, and spiritual well-being, needs, and integrity. So, at a bare minimum, you would be breaking the Two Greatest Commandments of Holy Love – to love God above all else (you are disrespecting Him and His commands) and to love neighbor as self (you are disrespecting the human dignity and physical integrity of another person). The child would have the chance to be healed of his/her physical damage at the refuges; however, your resulting penalty (suffering in purgatory) would be equivalent to more than three, four or even five mortal sins or more, because of your uniquely special relationship to care for and protect your child before God. All children belong to God and are not the sole property of their parents.

### **5. Are the children of a man and a woman with genetic manipulation / engineering considered human?**

If the parents both have a soul but have been exposed to genetic manipulation / engineering due to the Covid-19 vaccinations, their child will still be considered human and God will give the child a soul. In this instance, the child will still have the chance to be saved by God and to be granted eternal life in Heaven.

It is only when a non-human (animal-like person with no soul) mates with a human parent (person with a soul), that their offspring will be considered non-human by God and will have no soul. Then their offspring will not be redeemed by the Eternal Sacrifice of Our Lord, Jesus Christ, at the Cross and they will have NO chance for

salvation in Heaven.

AMEN.

**NOTE (By a soul):**

The following is a heavenly message and a daily prayer from Saint Joseph and Heaven concerning the Covid-19 vaccination given to a chosen messenger in Latin America. Although in their present form (first wave) they do not have the mark of the beast, there is a very strong likelihood that future waves of the vaccine will be made mandatory with the microchip (mark of the beast), as well as nanotechnology (causing us genetically to be part-robot, subject to demonic possession). Nonetheless, the first wave of the vaccine should not be taken because it genetically alters our fundamental human genetic make-up which is a mortal sin to God Who created us in His Image and Likeness. Our physical bodies are sacred to God and deserving of human dignity and respect just as much as our spiritual souls.

**MESSAGE OF SAINT JOSEPH TO THE PEOPLE OF GOD  
MESSAGE GIVEN TO LORENA ON DECEMBER 1, 2020**

*(A Latin American visionary; translated from original Spanish)*

First of all, you are already on notice that you should NOT take it.

Secondly, you have My Protection and that of all Heaven and the Poor Souls for this task, from now on, you will pray 1 Rosary for them daily, so they will intercede for you and give you the Strength and Courage to face any situation.

### **How will Heaven intercede for you in this situation?**

Maranatha, Maranatha.  
(The Lord is coming, The Lord is coming).

**NOTE (By a soul):**

Both Our Lord, Jesus Christ, and the Blessed Mother Mary have indicated to me, that They would like Their children to do both the daily prayer given by Saint Joseph to chosen messenger, Lorena, for the Covid vaccinations, and the daily prayer for the Seal of the Living God given by God the Father to 7th messenger, Maria Divine Mercy (Book of Truth), as both prayers are protections against the mark of the beast (microchip) and render the person and whomever it is prayed for invisible. *Note, the graces of both prayers can be extended to family members if they are prayed for as part of the intentions.*
