OUR LORD JESUS CHRIST SPEAKS:

CHAPTER 2 THE TWO WITNESSES

Zechariah 4 (1-14) and Revelation 11

We have already analyzed chapter 2 of Joel and Revelation 6, the opening of the sixth seal.

Now we will analyze Zechariah 4 (1-14) and Revelation 11, where it speaks of the two olive trees, the messengers of my Father, who come to prepare the world for my second coming; they will prophesy and help the great crowd to reach the New Millennium.

The two olive trees, representatives of my Father on earth, will possess extraordinary gifts never possessed by any mortal, and Divine infused knowledge.

They will pave my way with their prophecies and encourage my beloved people in the midst of the Great Tribulation, who on their pilgrimage through the desert will be instructed by these great Prophets anointed by the Holy Spirit, who, with His power, will be able to work miracles and feats in my name.

They will bring down their enemies with a breath of their mouth and nature will obey them by changing the weather and the seasons, since they will be clothed with gifts, charisms, virtues and graces from on high. They will pave the way for me by facing the Antichrist, who will not be able to fight them.

Many children of the Light will follow them in those days of darkness and many children of the darkness will attack them for interfering in the plans of the Antichrist. Their work of evangelization and paving my way will not be easy.

Coming from the Tribe of Judah, lineage of David, anointed with all the power from above, they will be captained by my Mother and the entire Heaven will protect them, since they will be under the orders of Saint Michael the Archangel and together they will execute the orders of the Most High.

Men who, from the womb of their mothers, were chosen for this important mission at the end of time. The spirit of Enoch and Elijah rests upon them, possessing their spirits, minds, and bodies.

Truthful men, capable of giving their lives for Me, lovers of the truth to the extreme, favorite children of my Father.

At the sound of the trumpets, they will begin their great mission, when the battle has officially started. They will breathe life into souls lost in sin; they will rise dead physically and spiritually, because the Spirit of Yahweh my Father, breathes on them.

Authentic evangelizers and proclaimers of my Word, they know my secret designs and carry out their mission, because from the womb of their mothers they were endowed with an indomitable and courageous spirit.

True warriors of mine, my two olive trees, witnesses of Faith and Hope, at the sound of the trumpets they will begin their bloody battle against the Antichrist and the False Prophet.

Missionaries of my Father, they will sing a song of war and this will call the 144,000 chosen to meet them and they will lead them together with Saint Michael the Archangel, always under the orders of my beloved Mother; together, as the race of my Mother, they will crush Satan's head.

At the sound of the trumpets, Enoch and Elijah will ascend together with the descendants of my Mother, to begin the great battle, exclaiming with the fire of their hearts to the battle cry: Who is like God! Nobody like God!

Coming from the four cardinal points, the descendants of the Twelve Tribes of Israel will hear the trumpets in their hearts and will be caught up to Heaven where they will be transformed into new wineskins with new wine, the wine of my Spirit.

Possessors of my power, they will proclaim my Word and evangelize the great crowd, always under the command of Enoch and Elijah, the two olive trees, chosen by my Father's mysterious designs for such a laudable mission.

Dense mists will cover the cities, the smell of sin will suffocate the world and everything will remain static; then men will be examined in their consciences.

But Enoch and Elijah and the 144,000 sealed, who were purified with the fire of my Father, will previously be transformed and enlisted in the Army of Firstfruits, preceding the battle against the False Prophet, the Antichrist and his followers, humans and demons, who will obey the Antichrist with their weapons that are the seven deadly sins, will seduce the great part of humanity in dense darkness.

This humanity, submerged in evil, will attack the children of Light, and the Army of my Mother, when the trumpets sound, will take their positions and fight to defend the souls of their brothers.

The battle between good and evil will be fought and in the end the triumph of good will be achieved, because evil has been defeated since I won on the Cross of Calvary.

So the Light will suffocate the darkness in this bloody battle that will be fought in the Heavens, the seas and the earth.

Angels and Archangels, Firstfruits, my Blessed Mother and the Blessed Trinity, we will begin the bloody battle against evil and the power of my Father will make his Glory resurface throughout the world, giving way to the New Heavens and Earth.

Now we will analyze Zechariah 4 (1-14) and Revelation 11.

ZECHARIAH 4, FIFTH VISION: THE CANDELABRA AND THE TWO OLIVE TREES.

1.- The Angel who was talking to me came back and woke me up as one wakes up from his dream;

2.- and he said to me: - What do you see? I answered: - I see an all-gold candlestick with a container for the oil on top, and seven lamps with seven channels for the lamps;

3.- next to it there are two olive trees, one on the right and one on the left.

EXPLANATION:

The golden lampstand is the Spirit of Yahweh who governs the Heavens and the earth and who with his power sustains all nations, because everything that happens is under his will, which allows good and evil, to test men and his free will, because He made them free out of love, and therefore man decides between good or evil.

Yahweh, as Omnipotent Spirit, governs all nations and with his might orders his designs over every people, race and nation, because He is the Alpha and the Omega, the Omnipotent and Mighty, the owner of everything created that with the power of his hands destroys nations and rebuilds hearts; the Almighty, the King of Hosts.

He with his Spirit governs everything created and everything is under his Holy Will, therefore, the two olive trees are next to the Spirit of Yahweh, one on the right and one on the left.

4.- Then I asked the Angel who was talking to me: What is this sir?

5.- The Angel answered me: but, don't you know what this is? Then he explained to me: those seven lamps represent the eyes of the Lord that travel all over the earth.

EXPLANATION:

The eyes of my Father examine every human being, since he is attentive to all events and knows the past, present and future.

With his powerful, merciful and just gaze, He is in control of the entire history of humanity and everything is under his Holy Will; every living being that obeys its mandates and laws is worthy of the Crown of immortality.

However, whoever disobeys Him condemns himself to eternal death.

The eyes of my Father, Yahweh of Armies, looks at everything carefully, because nothing escapes his just gaze and his anger is terrible and as in the Old Testament he was just and annihilated the nations and wicked men, He will do the same to the end of time.

No one can escape his gaze that judges with justice the works of men and without regard in these times has already unleashed his wrath against the inhabitants of the earth, and no one can escape the wrath of my Father.

Then we can conclude that the golden lampstand is the Spirit of Yahweh, my Father, and the seven lamps, his eyes that examine everything created by Him.

11.- And I ask the Angel again: And those two olive trees to the right and the left of the candelabrum?

12.- *And I asked him yet another question: - And the two olive branches that spill their golden oil through their golden conduits?*

13.- *He answered me: - Don't you know what this is? I answered: - No, sir.*

14.- *The Angel told me: - They are the two anointed ones who are before the Owner of all the earth.*

EXPLANATION:

Next to the Spirit of Yahweh are the two olive trees, one on the right and one on the left. Men who, with the Spirit of Enoch and Elijah, will lead the Army of my Mother together with Saint Michael the Archangel. They possess the anointing of the Holy Spirit, as no one had ever possessed it in the history of all the Old and New Testament Prophets.

They will pave my way and with their light they will illuminate the people of Israel, who will make a pilgrimage through the desert until they reach the New Heavens and Earth.

Now we will analyze Revelation 11.

THE TWO WITNESSES AND THE BEAST

1.- *Then they gave me a measuring rod similar to a staff and told me: - Get up and measure the temple of God, the altar and the number of its worshipers;*

2.- *But do not measure the outer space of the temple, set it aside, because it has been given to the pagans, who trampled the Holy City for forty-two months.*

EXPLANATION:

The pagans will trample the city of Jerusalem for forty-two months which is the three and a half years of the reign of the Antichrist.

They will also trample on the Church, and all worship and adoration will cease, giving way to the abomination of desolation.

3.- *It will be then when my TWO WITNESSES dressed in mourning come down and prophesy for one thousand two hundred and sixty days.*

4.- *I mean the two olive trees and the two lampstands that stand before the Lord of the earth.*

5.- *If anyone tries to harm them, fire will come out of their mouths that will devour their enemies without remedy; whoever tries to harm them will die.*

6.- *They have the power to close the sky so that it does not rain during the time of their prophetic ministry; they have the power to turn the waters into blood and to wound the earth as many times as they want, with all kinds of calamities.*

7.- *When they have finished giving their testimony, the beast that rises from the abyss will make war on*

them, will defeat them and will kill them.

8.- Their corpses will be on the square of the Great City, which in a figurative sense is called Sodom and Egypt and in which their Lord was also crucified.

9.- For three and a half days, people from all peoples, language races and nations contemplate their corpses, without being allowed to bury them.

10.- The inhabitants of the earth rejoice and congratulate each other on his death and even exchange gifts with each other, because these two Prophets constituted a torment for them.

11.- But after three and a half days, the Divine Spirit entered them, they stood up and a great fear seized those who contemplated them.

12.- Then they heard a loud voice saying to them: - From Heaven, come up here; and they ascended to Heaven in a cloud in the sight of their enemies.

13.- And at that moment there was a violent earthquake, a tenth of the city collapsed and seven thousand people perished in the earthquake; the survivors were horrified and glorified the God of Heaven.

14.- The second one has passed! but the third is near.

EXPLANATION:

These twelve hundred and seventy days in which the city will be trampled by the pagans, the TWO WITNESSES ENOCH AND ELIJAH will prophesy in the name of Yahweh.

The Perpetual Sacrifice will be ceased and the inhabitants of the earth under the rule of the New World Order, will be subjected to the false doctrines of the False Prophet and the government of the Antichrist. It will seem that the Church succumbs to the attacks of the enemy, but sheltered in the desert, it will survive the great tribulation, because my beloved Church will never perish, because I founded it, and the forces of evil will not prevail over it.

The TWO WITNESSES, after finishing their mission, will be exterminated by the Antichrist, but like Me, they will resurrect after three and a half days and the second death will no longer have power over them, because they will rule all the nations in the New Jerusalem.
