

**SPECIAL COMMENTARY - THE MIRACLE OF GARABANDAL AND
OTHER PERSONAL INSIGHTS - MY VISITATION WITH SAINT
GABRIEL ARCHANGEL IN JANUARY 2017 - BY A SOUL -
MaryRefugeOfSouls**

Holy Week, April 2023

Blessings dearly beloved ones,

I, "a soul", am writing this special commentary, because I want to give you, my beloved followers of this blog, **MaryRefugeOfSouls**, more important insights to the unfolding Divine Plan in this End Times. In particular, I want to speak about how the Marian apparitions at Fatima (1917), Garabandal (1960s), and Medjugorje (1981-current), come together during the Great Tribulation, etc. And I want to address especially what Saint Gabriel Archangel revealed to me about the Divine Plan in January 2017, with the sole purpose of helping people prepare for the unfolding of the mystical events ordained by God to happen to us very soon on earth. I am choosing to speak just a little bit more in depth about what was shared with me, because people need a reminder of what I have shared already through different writings in the past, as many followers are new to this blog and may have been surprised by my recent admission about Saint Gabriel visiting me in 2017. Also, people need an update on certain matters, so they can clearly understand why God has planned these mystical events -- "secrets" -- provided through Our Holy Mother, Mary, to occur on earth at specific, definite dates in the future.

Beloved ones, firstly, I want to emphasize with you all that when Saint Gabriel Archangel visited me in January 2017, it came as a complete surprise to me and was not anticipated by me at all. I

also want you to know that Saint Gabriel visited me over the course of several nights, because he could not reveal everything that he needed to tell me in one single night. I also want you to know that I did not see Saint Gabriel or any heavenly visitor, but that he spoke to me interiorly in my soul -- by locution and other heightened forms of mental prayer that are hard to explain. Finally, I want you to know that during the several nights that Saint Gabriel was visiting, my entire bedroom became a massive battlefield.

Although I was not receiving visions, I could sense mystically many things happening in the supernatural world. Mystically, I was feeling spiritual earthquakes -- reverberations -- as I heard and felt the holy angels and devils clashing around me in their heavy armor, weapons, and swords. So, that is also another reason why this special visitation by Saint Gabriel lasted several nights, because of the intense spiritual warfare taking place that was adding difficulty in conveying the private revelations that he was meant to directly share with me.

Secondly, one of the first things that Saint Gabriel revealed to me was the exact nature of the Miracle and Sign of Garabandal, which are both secrets for the world given by Our Holy Mother, Mary, to the young visionaries at Garabandal, Spain, in the 1960s. One of the visionaries, Conchita Gonzalez, has been entrusted to reveal the future date to the world eight days in advance, so people may gather at Garabandal, Spain, to witness this great mystical event. The Great Miracle will happen sometime after the Warning of Garabandal (Illumination of Conscience) has already occurred to mankind and it will result also in many direct healings in body and soul for those who experience in person this great gift by God.

So, now, I want to take this moment to shed more light on the Miracle and Sign of Garabandal, on what I can share publicly with you all.

Firstly, I want people to know that both the Miracle and Sign of Garabandal are totally beyond what the human mind can even conceive or fathom. I was totally shocked when I learned what they actually are, and honestly, when Saint Gabriel revealed it to me, I immediately broke down crying. He explained what the Great Sign is in five, succinct words, and as he said the words, God opened up my mind and I was given total understanding about what the Great Miracle is.

Beloved ones, please understand this. Everyone is expecting the Miracle and Sign of Garabandal to be similar to the Miracle of the Sun at Fatima, Portugal, which demonstrated God's Almighty powers over natural elements in Creation, etc. I have also heard some people say that the Miracle and Sign of Garabandal might involve somehow the Cross and/or Our Holy Mother, Mary.

Beloved ones, you must believe me when I tell you that no human person is capable of figuring out what the Miracle and Sign of Garabandal really are. But, when everyone witnesses it, I am telling you that you will understand how Almighty God truly Is and you will receive immediate clarity into the purposes of the Divine Plan and for all of Creation. You will also know that the Catholic Church is the authentic faith passed down to us by Our Lord, Jesus Christ, and you will also know that mankind is living in the End Times, and the Second Coming of Jesus is imminent in the world.

Beloved ones, I can also share with you all that the Miracle of Garabandal involves the sanctity of life, as people will realize how God profoundly abhors abortion and other egregious sins against human life. The Sign of Garabandal is also highly Eucharistic.

Finally, I can also tell you that the Miracle of Garabandal involves a

story and the Sign of Garabandal is a "snapshot" or "impression" or "image" of one moment of the story.

Beloved ones, I have provided you great hints about the Miracle and Sign of Garabandal. But, honestly, I tell you all that you will not be able to figure it out in advance, and these great hints will only make sense after the fact, once the Miracle and Sign of Garabandal are unveiled by God to the world.

Beloved ones, I want you to know that the great stigmatist priest, Saint Padre Pio of Pietrelcina, did indeed witness privately the Miracle of Garabandal before he died, just as was prophesied by the visionaries at Garabandal, Spain. And truthfully, I tell you that St Pio actually reveals what the Sign of Garabandal is in the words recorded and attributed to him. However, people will not realize his great hint hiding in plain sight until after the Sign of Garabandal is displayed to the world.

I also want you all to know that there is a certain part of the Great Miracle, which is when the snapshot of the Sign of Garabandal is happening, that will bring much happiness and delight to a lot of people. It is the part that caused the holy priest, Father Luis Andreu, at Garabandal, to die of complete joy, after thanking Our Holy Mother, Mary, for giving him a private vision of the Great Miracle. And although I was not given a complete vision of all the elements of the Great Miracle, I was given an "auditory" vision once of it. An "auditory" vision basically involved me hearing all the sounds of the crowds witnessing on earth the Miracle of Garabandal. And honestly, beloved ones, I was totally astonished by all the joyful sounds I heard at the point that people were viewing the moment of the Great Sign. I knew that people would be very happy, but truly, the crowds were so exuberant -- I heard intense clapping and even whistling -- that made me genuinely

surprised by the crowd's response.

Beloved ones, I was told by Saint Gabriel Archangel the Miracle and Sign of Garabandal, because God needed a human instrument to record the details in a writing. This is so mankind would have a lasting, permanent, written account of the Great Miracle once it has passed on earth, to accompany the Sign of Garabandal that will be unveiled afterwards. However, please know that while the written account contains substantial details about the Great Miracle, it does not record all elements of the "story". And, in particular, the written account does NOT record a very important and very significant aspect of the Sign of Garabandal that people will witness afterwards. This is because human words are inadequate for me to express the certain aspect that will make so many people overjoyed and excited, and that caused Fr Andreu to die of ecstatic joy. It is something that only God can reveal publicly to the world. Meanwhile, there are a handful of people who have been entrusted with the written account -- the parts that I can reveal -- of the Miracle and Sign of Garabandal, which will be released in the aftermath of its occurrence on earth.

Now, there are some other things that I want to say about the Miracle and Sign of Garabandal. Firstly, I want people to know that both mystical events will be visible not only at Garabandal, Spain, but also at other major Marian apparition sites in the world. I do not know of all the selected locations. However, it is my understanding that both visionary, Conchita Gonzalez of Garabandal, as well as Latin-American visionary, Luz de Maria de Bonilla, will be informed by God and His Holy Mother, Mary, of all the selected places in the world during the time of the mystical event, known as the Warning of Garabandal (Illumination of Conscience). It is also my understanding that while Conchita is the principal visionary with the God-given responsibility to announce the future date of the Miracle of Garabandal, I believe that Luz de

Maria will also be provided with the future date, as her chosen back-up by Heaven on earth.

Beloved ones, recently, I was having a conversation with Our Lord, Jesus Christ, about the Miracle of Garabandal, and honestly, as we were talking, in the background, the Holy Spirit repeated a dozen times this phrase: "satan is terrified of the Sign". I share this fact with you all, because you must understand something very important about the future prophesied date for the Miracle of Garabandal. While everyone is aware that Conchita Gonzalez was given the future date for the Great Miracle during the Garabandal apparitions in the 1960s, that date that she was originally given is irrelevant.

Beloved ones, please understand that God Almighty Is totally, solely, and wholly in control of all divine aspects and divine interventions as part of His Divine Plan for mankind. And while many "smart" people will attempt to figure out when the future date of the Great Miracle will take place -- based on clues from decades ago -- all of these human deductions will fail, because people are failing to take into account three realities regarding their "educated" guesses. Those three realities are: (1) the free will of mankind; (2) the power of prayer to change prophecy; and (3) the invisible manipulation that hell exerts on mankind.

Beloved ones, I do not know the future date for the Miracle of Garabandal. However, I can share these facts with you all that have been given to us by different mystics. One, after the Warning of Garabandal (Illumination of Conscience) has passed, in the immediate aftermath, there will be six and a half weeks when satan, the devils, and all the evil spirits will be locked up in hell and unable to tempt or interact with mankind living on the surface of the earth. Two, after those six and a half weeks have passed, satan,

the antichrist, and all of hell will be released to wreck havoc on mankind again; and they will come back with full fury, complete rage and in vengeance. And three, once satan, the antichrist, and all the evil spirits come back, God has commanded us to get rid of all technology, including all internet devices, computers, cell phones, and televisions, etc., because all of the technology will be used to manipulate the minds of mankind so that they reject the greatest blessing of God given through the Great Warning (Illumination of Conscience) for all His precious children on earth. Furthermore, all technology will be used to instead make people susceptible and vulnerable to the evil machinations of hell to worship satan and the antichrist, etc.

Beloved ones, given what Heaven has revealed to me about the Miracle and Sign of Garabandal, I am telling you that the prophesied date given by Our Holy Mother, Mary, to Conchita Gonzalez at Garabandal, Spain, in the 1960s does not really matter. I say this, because during the Warning of Garabandal (Illumination of Conscience), God the Father Is going to give Conchita a date for the Great Miracle so it will happen sometime during the immediate six and a half week aftermath, when satan and all the evil spirits are all totally locked up in hell. And the reason I say this, is because I know exactly what the Miracle and Sign of Garabandal really are. And I am saying to you that the Holy Spirit telling me recently a dozen times that "satan is terrified of the Sign" is no joke.

Beloved ones, please understand that it is a critical aspect to the Divine Plan that the Miracle and Sign of Garabandal must happen during the timeframe when satan and all the evil spirits are locked up in hell. Otherwise, the universal spiritual healing that God wants to provide to all of mankind from their divine encounter during the Great Warning -- and which many people will experience as a very hellish reality due to their sins -- would be totally thwarted by satan, the antichrist, and all of hell. Beloved

ones, please understand that everyone associated with any knowledge of the Miracle of Garabandal will be in imminent danger, including those entrusted with announcing its future date. Moreover, all technology is going to be employed and manipulated by hell to distort all aspects of the Sign of Garabandal, and to try to hide its existence so mankind will cease all belief in God, His Goodness and His Divine Plan.

So, beloved ones, it is really irrelevant the original date for the Great Miracle given by Heaven to visionary, Conchita Gonzalez, because God the Father will give her an appropriate date for it to happen during the six and a half week aftermath of the Great Warning. And Conchita will accept and announce this appropriate date for the Great Miracle, because she will have no doubt that the request is truly coming from God Himself, as it will be given to her during the Warning of Garabandal (Illumination of Conscience). And, in truth, that is because the Great Warning is the ONLY time when God can actually change the prophesied date for the Great Miracle, so there will be no doubts that it is God acting and not a deception of satan.

Finally, I want to let people know this fact about the Miracle of Garabandal that Our Lord, Jesus Christ, informed me about. Jesus confirmed to me that God the Father is going to make it mystically possible so that all people in the world will be able to witness the Miracle of Garabandal -- televised -- as it is really happening -- live -- at the same time at the major Marian apparition sites in the world. And, truthfully, I do not know how God is going to mystically achieve this, since I am only human and it escapes me how people will be able to witness this great event of salvation history through television monitors, computer screens, etc. But, Jesus has assured me that Papa God Is going to bless the entire world with being able to witness mystically the Great Miracle through television and on the internet. So, I share this vital fact

with you all, as I know many people would love to witness the Great Miracle somehow in-person, but will be unable to make pilgrimages to the selected Marian apparition sites.

Note, however, although I have not been told this by Our Lord, personally, I do not believe that the Miracle of Garabandal will be recordable so it can be viewed later or rewatched later by people. I say this, because God Is going to already give the greatest of blessings so all of mankind can witness it on the television and computer screens as it is happening live on earth. Moreover, with any repeatable recording, it would be difficult to achieve the same mystical experience when it is viewed later; and any such recording would be highly tampered with by hell when satan and all the evil spirits are released back to the surface of the earth.

But, nonetheless, I do believe that the Great Sign that will be left in the aftermath at the Pines in Garabandal, Spain, and other major Marian apparition sites, WILL BE able to be photographed and recorded, so the images can be shared among all media platforms and across the internet. In fact, I know that it is the total expectation by God Himself that everyone in the world sees the Great Sign, which will be Papa God's Great Gift to all of His precious children on earth, to herald the coming Divine Kingdom of His Divine Will at His Son's Second Coming, which will take place at the start of the Era of Peace on earth. Moreover, the photos and images of the Great Sign are intended by Papa God to strengthen spiritually and morally all of His precious children for the coming brutal reign of the antichrist. As such photos and images of the Great Sign are meant to encourage and give continual hope for all of God's precious children to persevere throughout all the challenges and difficulties of the entire period of the Great Tribulation. So, everyone can make it for the dawning of the New Earth, the New Jerusalem and the New Day in His Only-Begotten Son, Jesus, which happens only after the final Great Chastisement

has concluded the End Times on this old earth that is passing away.

So, those are the things that I can publicly say about the forthcoming Miracle and Sign of Garabandal. Both of which are great secrets given by Our Holy Mother, Mary, in order to be major "helps" for this urgent conversion time of the greatest spiritual needs of God's precious children living on earth.

So, on the first night that Saint Gabriel Archangel spoke to me in January 2017, he only revealed the exact nature of the Miracle and Sign of Garabandal. And honestly, beloved ones, that singular private revelation was so massive, so huge for me to grasp and comprehend, that simply knowing those two secrets was enough for me as I was immediately affected on a very deep emotional level. Contemplating the sheer magnitude and depth of Divine Love and Divine Goodness of Papa God to arrange and provide such a profound gracious Gift for His precious children, mankind, really pierced straight to my heart. And with mystically experiencing all the spiritual warfare taking place around me between the multitudes of holy angels of Heaven and the devils of hell, seriously, being entrusted with the direct knowledge of the Miracle and Sign of Garabandal was all I could handle that first night. It was enough.

However, Saint Gabriel Archangel continued to visit with me for several more nights in January 2017 with more private revelation. In subsequent nights, Saint Gabriel revealed to me important knowledge that no other person living on earth has been given directly by Heaven about how the Divine Plan is to unfold on earth. And it is because of this unknown critical knowledge about the Divine Plan that helped me to clearly discern and actually convicted me in the fact that I was truly dealing with the holy Archangel Gabriel of Heaven and not satan in disguise trying to

convince me into a fiendish deception according to some type of hellish agenda.

And so what other things did Saint Gabriel reveal to me alone about the Divine Plan?

Well, beforehand, we already know publicly that there are Ten Secrets for the world that are being provided by Our Holy Mother, Mary, at Medjugorje, located in the Eastern European country of Bosnia and Herzegovina. And we also already know publicly that the first three Secrets of Medjugorje are "warnings" for the world and the Third Secret involves some type of permanent, indestructible, supernatural Sign by God. While the last seven Secrets of Medjugorje involve greater degrees of various "chastisements" for the world, with both the Ninth and Tenth Secrets being the worst. And, in particular, the Tenth Secret is the very gravest for the collective sins due to all of mankind. Furthermore, we already know publicly that (1) three of the visionaries of Medjugorje have received all Ten Secrets from Our Holy Mother and have ceased receiving daily apparitions; (2) the three remaining visionaries of Medjugorje have received only nine Secrets so far and continue to receive daily apparitions of Our Holy Mother; and (3) we do know that the various Secrets given to the six visionaries are not all the same in common, as some have been given private Secrets involving only themselves, etc. Although it does appear that for those who have been entrusted with the Tenth Secret, which is the gravest of chastisements for all of mankind, that the contents of that particular Secret are the same for everyone so far, etc. Finally, we know publicly that the visionary, Mirjana Dragicevic Soldo, and her chosen priest, have been entrusted by Heaven with the very serious responsibility and important task of revealing the contents to mankind for each of the Ten Secrets of Medjugorje three days in advance of the dates determined by God that each Secret is to be witnessed on earth. In

addition, Mirjana has been given a very special, very unique, indestructible parchment crafted by Heaven that lists all the dates for each of the Ten Secrets of Medjugorje. This parchment can only be read by supernatural grace by Mirjana and no one else on earth until the appointed times.

So, those are the basic, publicly known facts involving the Ten Secrets of Medjugorje.

Now, there are a lot of people who believe that the various "secrets" associated with the Marian apparition sites at Garabandal and Medjugorje are somehow related. That there is some overlap between the secrets and that some secrets are shared in common. However, this answer is only partially true and how they are related is not what people commonly think. For example, a lot of people believe that the First Secret of Medjugorje is the same mystical event, known as the Warning of Garabandal (Illumination of Conscience). Also, a lot of people believe that the Third Secret of Medjugorje, which involves a supernatural Sign, is the same secret of the Great Sign of Garabandal. However, both of these human assumptions are FALSE.

According to the private revelations from Saint Gabriel Archangel in January 2017, I learned the exact sequence of how the Great Secrets of Garabandal and the Ten Secrets of Medjugorje will unfold on earth. The Warning of Garabandal (Illumination of Conscience) will happen first to mankind as the foremost great mystical event that will usher us fully into the End Times and into the Great Tribulation. Then, the Miracle and Sign of Garabandal will take place shortly afterwards on earth.

Then, the Catholic Church, on behalf of mankind, will have a very

brief time span in order to fulfill the Consecration of Russia to the Immaculate Heart of Mary, according to the instructions of Our Holy Mother, Mary, at Fatima, Portugal. (Note, the Consecration of Russia made by Pope Francis on the 2022 Solemnity of the Annunciation did NOT fulfill the specified conditions given at Fatima.) Otherwise, the greatest world war will be forthcoming, which will involve nuclear weapons. The Ten Secrets of Medjugorje will also begin at some point after the Sign of Garabandal has already been fulfilled on earth. Thus, the prophesied Signs at Garabandal and Medjugorje are NOT the same mystical event. Moreover, I do know from other sources of heavenly messages that some of the Ten Secrets of Medjugorje involve the usage of nuclear weapons. I also know that some of the contents of the various Ten Secrets of Medjugorje, have been ameliorated and mitigated by prayer, acts of penance, redemptive suffering, and fasting, etc. So, people should anticipate changes and modifications -- hopefully for the better-- on the outcome of various Ten Secrets of Medjugorje, once each Secret is announced publicly on its date ordained by God.

Now, the most startling detail that convicted me in my discernment that I was truly dealing with Saint Gabriel Archangel and not satan in disguise or some other evil entity from hell was the unknown, but very critical knowledge that I gained about the Tenth Secret of Medjugorje. Firstly, Saint Gabriel confirmed that the Tenth Secret of Medjugorje is the same mystical event as the Great Chastisement of Garabandal, which is the same mystical event called, the Three Days of Darkness, by different mystics in various private revelation during the past two centuries. But, Saint Gabriel continued to reveal a very astonishing aspect of the Divine Plan that no human person has been able to decipher or figure out. And it is due to this very startling detail that I instantly knew that I was dealing with a spiritual being of superior intellect to any human mind, and that this spiritual being was God-sent, because the private revelation was so holy. The private revelation unveiled a very positive and

very major step, advancing the Divine Plan for the salvation of all of mankind living on earth.

Recall, there are six visionaries of Medjugorje with three of them having all Ten Secrets so far and so, they are no longer receiving daily apparitions of Our Holy Mother, Mary. Whereas, the three remaining visionaries continue to have daily apparitions, while they patiently await learning the Tenth Secret -- each of the remaining only know the first nine Secrets of Medjugorje. Recall, also, that not all the given Secrets to the six visionaries are the same, but so far, the contents of the Tenth Secret of Medjugorje seem to be in common.

Well, Saint Gabriel revealed to me that during the Warning of Garabandal (Illumination of Conscience), that the three remaining visionaries of Medjugorje will receive knowledge of the Tenth Secret. So, this means that there will be no gradual unveiling by Our Holy Mother, Mary, of the Tenth Secret, similar to how there were progressive gaps of time between how the first three visionaries received the Tenth Secret. Instead, the three remaining visionaries will gain this critical knowledge of the Tenth Secret all at the same time.

Furthermore, Saint Gabriel revealed to me that during the Warning of Garabandal, that, in fact, all six visionaries of Medjugorje and visionary, Conchita Gonzalez of Garabandal, would experience the same mystical event of the Tenth Secret of Medjugorje / Great Chastisement of Garabandal / Three Days of Darkness, as part of their personal life review with Our Lord. Then, in the aftermath of the Great Warning, all seven visionaries are expected to testify to all of mankind about their mystical experience of the Tenth Secret of Medjugorje / Great Chastisement of Garabandal / Three Days of Darkness. It is in this way and in this manner, that God will

connect together the authentic Marian apparitions at Garabandal and Medjugorje as part of the overall Divine Plan. Moreover, Saint Gabriel revealed to me that the critical, initial, and necessary step to make it EVEN POSSIBLE for mankind to try to avoid or even cancel the Three Days of Darkness -- which was revealed as a "conditional" Great Chastisement by Heaven at Garabandal in the 1960s -- is truly the Consecration of Russia to the Immaculate Heart of Mary, according to the specific instructions given at Fatima. Likewise, in this way and in this manner, the authentic Marian apparitions at Fatima will also be connected to those at Garabandal and Medjugorje.

Beloved ones, mentally, I was blown away by this specific private revelation to me from Saint Gabriel. Up until January 2017, no one knew why Our Holy Mother, Mary, had chosen six visionaries at Medjugorje, when only one of them has been selected publicly to announce to the world the ordained dates and graphic contents of the Ten Secrets of Medjugorje. Furthermore, all of the private revelations given by Saint Gabriel intrigued me, because they provided deep insights into invisible spiritual warfare by demonstrating tactics and techniques that Heaven employed to keep our mutual enemy, satan and all the evil ones of hell, from figuring out the next vital steps of the Divine Plan, etc.

Finally, before departing from his holy visitation over several nights in January 2017, Saint Gabriel announced to me very mysterious words. He revealed to me that, "the Battle of Armageddon involves demonic aliens".

Beloved ones, I know that this particular writing is very lengthy with a lot of content to reflect upon, so I will not add much commentary to the private revelations that I just shared. As mainly, my intent for this writing was to speak in greater details

about the Miracle and Sign of Garabandal, and less so about the other "stuff" concerning Fatima, Garabandal, and Medjugorje, etc., that Saint Gabriel thoughtfully provided to me.

However, before I give my concluding thoughts in this special commentary, I want to add a few supportive words about the heavenly messages given to Latin-American mystic, Lorena Portillo, whom I feature on this blog, ***MaryRefugeOfSouls***. Because I know people may need help in their discernment of her heavenly messages. I want to share that I learned of the heavenly messages given to Lorena back in Fall 2018. But, honestly, I did not feel called to share her heavenly messages until I had a very powerful private mystical encounter with the Most Holy Trinity on Pentecost 2020. Honestly, what happened privately to me on Pentecost 2020 is one of the greatest moments of my entire life, and the encounter came about as the direct result of following instructions regarding special consecration prayers and Sacramental Confession requested by Our Holy Mother Mary, through Lorena at that time, so people could find out their earthly mission from God.

Beloved ones, what happened between me and the Most Holy Trinity is very private, so I will not share details about my mystical encounter on Pentecost 2020. However, due to my very powerful encounter, I had no doubts about the authenticity of the heavenly messages given to Lorena. So, I immediately began to share her heavenly messages on my blog, ***MaryRefugeOfSouls***, introducing her to many believers in the English-speaking world. And while I cannot share details about everything that transpired on Pentecost 2020, I will tell you all that a certain aspect of the mystical encounter was directly related to some of the private revelations that Saint Gabriel Archangel revealed to me back in January 2017. Note, in this special commentary, I have not shared all the prophecies and details of the Divine Plan that Saint Gabriel told me

in January 2017. I have only shared the parts that I can make public and are relevant to other people, and not in particular to me.

Beloved ones, now, I would like to make my concluding thoughts for this special commentary. Firstly, I want to share that I am so excited that the Second Coming of Our Lord, Jesus Christ, will be happening soon, as this great event of salvation history will take place immediately before the glorious Era of Peace begins. Jesus will not reign in a physical way during the 1,000 years, as He will return to Heaven after spending a very short duration of time setting up the structure of His Church and Mystical Body, the New Jerusalem, on earth. However, all the holy ones will participate in the First Resurrection, receiving glorified bodies and there will be many joyful festivities and celebrations at that time, as it will be the coming of the Kingdom of the Divine Will finally on earth (the answer to the 'Our Father', the Lord's Prayer).

Beloved ones, I want you all to know how much I hope that all of you will choose to be with Our Lord and Our Holy Mother, Mary, which I hope the Miracle and Sign of Garabandal will be a totally blessing for you all, as it confirms you and inspires you all in grace. Truly, it is an honor for me that Papa God even chose me as His instrument to provide a written account of the Great Miracle, so afterwards, everyone may continue to be edified and blessed by reading about it. I am truly humbled by this task.

Beloved ones, personally, I want to greet and meet all of you, as together, we participate in welcoming Our Lord at the Second Coming and in all the joys involving this great historical event for mankind. I will be so honored to know each of you one day in Heaven, as it is my personal wish to say thank you individually to every person who decided for Our Jesus, completing His happiness in His Incarnation as the God-Man. I say this, honestly, because the

person that I am today and will become due to my faith, has only been made possible by the prayers and sacrifices of God's precious people throughout my life and the previous generations, etc. Furthermore, the person that I am today and will become in God, has only been made possible by all the people whom I have been blessed to know and encounter in some manner throughout my life. So, I hope to spend a better part of my eternity simply thanking everyone for helping me in some way, so I could be with God forever in Heaven.

I also have a few more concluding thoughts on a very personal level. As I want to give you all a more intimate look at Our Lord, Jesus Christ, as I share a few things... These days I am blessed in that I can say that Jesus is truly my Best Friend, as we often share conversations with each other. And so, I know that people might wonder what are the types of things that Jesus and I discuss together(?).

Now, people might think that I often speak about prophecy or heavenly messages considering that I have this blog, ***MaryRefugeOfSouls***. However, despite speaking about very important topics related to the Divine Plan in this commentary, honestly, beloved ones, I do not usually talk about prophecy or such important matters with Our Jesus. Instead, most of the time, I simply spend time talking with Jesus about various delightful things, as honestly, my greatest joy is making Our Jesus smile and especially, making Him laugh. Truly, Jesus has quite a wonderful sense of humor. And I am sharing this fact with you all, because so many people -- even chosen messengers -- believe that God does not laugh or does not have a sense of humor at all.

On the contrary, beloved ones, Jesus does, in fact, love to laugh. And I want to share this fact with you all, because one of your

greatest joys in Heaven, will be discovering that Jesus has a great sense of humor and making Him smile -- which is a delightful sensation that you will feel in your spiritual heart, and making jokes to get Him to laugh. Sadly, most people never get the opportunity to experience the laughter of the Lord in their souls, because God has to hide that part of His Personality from His children on earth. This is because much of our sense of humor and our jokes that we tell each other on earth are so different from Heaven's sense of humor. This is because much of our sense of humor on earth focuses on jokes at the expense of hurting and ridiculing others, etc.

So, I want to reveal to you that Jesus does indeed laugh and He loves a good joke. This is a special gift that I want you to know about how much Jesus delights in each of us as God's creations. So, you can ponder this fact about Heaven. Furthermore, I want you all to know that all Three Divine Persons of the Most Holy Trinity have a very witty and great sense of humor. As Yes, both Papa God and the Holy Spirit laugh and tell really funny, good jokes from time to time.

Beloved ones, oftentimes, people believe that God is out of touch with matters involving mankind on earth. In particular, that God is distant regarding modern human affairs. However, this notion is so far from reality -- so far from the actual truth as to how God perceives things and interacts with us on earth.

I say this to you all so I can share another gift with you. As I want you all to know that Papa God and Jesus deeply care and are very much aware of all the intricacies of our modern lives on earth. And that They do deeply care and are very much aware of our modern entertainment, and in particular, our songs -- the musical beats and rhythms, as well as the lyrics, etc. As, oftentimes, in my

conversations with Our Jesus, He may play in my mind small parts from various songs, as He tries to emphasize some concept that He is sharing with me as we discuss various things.

Beloved ones, there is a song that I want to invite you to listen to, as I have provided the lyrics below. I want you to consider this song and to listen to it three times. I want you to listen to the song once BEFORE the Warning of Garabandal (Illumination of Conscience) and once AFTER the Warning has happened. Then, I want you to listen to the song again AFTER everyone has witnessed the Miracle of Garabandal on earth.

Beloved ones, the song is called, "This Is It", and was sung by American musician, Kenny Loggins, who wrote the song when his father was gravely ill and in so much pain that he was considering stopping all medical treatments. So, Kenny Loggins wrote the song to encourage his father to continue to fight for his life, which resulted in his father continuing the medical treatments that enabled him to live a few more years.

It is a very inspiring song that does indeed encourage people to fight through life's difficulties and challenges. So, I want you to listen to the song three times, but each time, I want you to really listen to the lyrics and to think about Jesus actually singing this specific song to you. As I promise you, if you listen to this song three times according to my instructions, you will receive deeper and more profound meaning about what God desires for you to do in this End Times.

Finally, beloved ones, I want to end on this note. When we are in Heaven, I will always enjoy speaking personally with you. However, if you look for me and are unable to find me, please

know that I will be dancing a beautiful waltz at that moment with my Sweet Jesus. (Note, I am a female). As Jesus Is very much a Gentleman, with a very Tender Heart, who loves to ballroom dance. And Yes, Jesus wants to invite every person to waltz with Him in a beautiful lifetime dance for all eternity in Heaven.

Thank you for especially sharing this special commentary with others, both before and after the Warning of Garabandal (Illumination of Conscience).

I love you all, my dearly beloved ones...

Papa God and Jesus loves you, too.

God bless,

a soul

SONG LYRICS:

"THIS IS IT" BY KENNY LOGGINS (1979)

There've been times in my life

I've been wondering why

Still somehow I believed we'd always survive

Now I'm not so sure your waiting here

One good reason to try

What more can I say

What's left to provide

You think that maybe it's over
Only if you want it to be

Are you gonna wait for a sign? Your miracle
Stand up and fight
(This is it)

Make no mistake where you are
(This is it)

Your back's to the corner
(This is it)

Don't be a fool anymore
(This is it)

The waiting is over

No room to run, no way to hide
No time for wondering why
It's here, the moment is now 'bout to decide
Let him believe
Leave him behind
Keep me near in your heart
Know whatever you do, I'm here by your side

You said that maybe it's over

Not if you don't want it to be

For once in your life, here's your miracle

Stand up and fight

(This is it)

Make no mistake where you are

(This is it)

You're going no further

(This is it)

Until it's over and done

No one can tell you what you know

Oh-oh-oh-oh-oh

Who makes the choice of how it goes

It's not up to me this time (you know)

Comes a day in every life

(This is it)

Make no mistake where you are

(This is it)

You're going no further

(This is it)

Until it's over and done

(This is it)

One way or another

(This is it)

No one can tell what the future holds (this is it)

Your back's to the corner (this is it)

You make the choice of how it goes (this is it)

The waiting is over (this is it)

No one can tell what the future holds (this is it)

You're going no further (this is it)

You make the choice of how...
