

Catholic Prophecies About Underground Cities and Detention Center Death Camps in the USA, the Imposition of the Mark of the Beast, and Coming Events Leading Up To Refuge Time After the Great Warning (Illumination of Conscience) - Compiled by A Soul - MaryRefugeOfSouls

Month of Mary, Our Lady of the Holy Rosary

Blessings dearest ones,

Question: How will the Elites under the antichrist take over countries, such as the USA, after the six and a half weeks Conversion period has ended following the Great Warning (Illumination of Conscience)?

Answer: One of the methods that the Elites will use is their underground cities that exist in certain countries in order to position UN and mercenary troops strategically to invade civilian populations above ground. Under martial law, these "men in black" troops will try to enforce the mark of the beast (embedded physical microchip), otherwise, people will be tortured and martyred in widespread detention centers (death camps) found in the USA and elsewhere.

D.U.M.B. stands for "Deep Underground Military Bases". There is a massive labyrinthine of DUMB tunnels that run beneath the USA, Canada and Mexico — built with illegally gotten tax payer money — where nefarious operations take place, including child trafficking. This is where the Elites will retreat to for safety when chaos erupts above ground due to the coming famine, dollar collapse, widespread violence and pandemic. It is also believed that some of the DUMB are directly controlled by aliens (demons) due to illegal treaties signed by these shadow governments permitting abductions to take place against their human populations.

In this blog post, I have provided several older messages in which Our Lord, Jesus Christ, has spoken to Prophet John Leary about these underground cities and detention center death camps in the USA, as well as the three trigger events that will lead up to refuge time. Those three trigger events are a dollar collapse, airborne pandemic, and heightened terrorist attacks. I am also including a recent interview conducted by Canadian Prepper with a well-respected business owner who builds bunkers in the USA and other countries. In the interview, the business owner speaks about how well-prepared the Elites are for the world war with their bunkers and network of tunnels in the USA and elsewhere. It is excellent and I hope that these messages and video will help in your discernment of End Times prophecies.

God bless,
A Soul

MESSAGES ABOUT UNDERGROUND CITIES, DETENTION CENTER DEATH CAMPS, AND ENFORCEMENT OF THE MARK OF THE BEAST

(November 14, 2010) JESUS CHRIST: “My people, the one world people are having a massive tunnel building program underway to protect themselves from something big coming up. They are also storing supplies in their VIP underground cities. This means that they are planning on some riots for a food famine, a dollar crash, or a deadly virus attack. They feel whatever they are planning, that they will be safe underground, while those, who are above ground, will be at risk for their lives. If a martial law chaos began, they would also be protected from the foreign troops who would implement any capture of citizens. By the fast tempo of this building campaign, you are being given a sign of what the one world people will be doing in their bid for taking over America. Despite all of their plans, I will warn My faithful when it is time for them to come to My refuges of protection, where the evil ones cannot harm them. Have trust in My help and protection throughout the whole time of the tribulation before I return.”

(September 16, 2011) JESUS CHRIST: “My people, I have shown you these forty foot wide tunnels before that connected the underground cities. It is true that the one world people are still making more tunnels around Denver, as you saw the construction going on. They have been storing large quantities of food in these cities for the one world people who plan to hide there for an upcoming event that they will stage. There is a honeycomb of these tunnels covering most of the Western states. There is also a further reason for having these tunnels made. When the planned martial law begins, it would show their plans if people saw troop carriers, tanks, and armored personnel vehicles traveling through your streets. By sending these armored UN troops through these tunnels, they can be pre-positioned in many areas, and ready to implement martial law instantly without anyone knowing where they came from. This sudden attack and control of the highways will catch all of your citizens by surprise. I know all the plans of these evil ones, and I will notify My faithful ahead of time to leave for My refuges, so you will be safe once the evil ones try to capture you. The evil ones have a secured network for communication, but My spiritual communication will reach every faithful person all at once in defiance of their plans. Trust in Me to take care of you, but you must be ready to move quickly once you are notified or sense danger.”

(June 29, 2012) JESUS CHRIST: “My people, I have given you messages before how the one world people have already drawn up red lists and blue lists of people to be exterminated. The red lists are for people to be picked up before martial law. The blue lists are for people to be picked up after martial law has been declared. This is why I will warn My people to leave for My refuges before the red list pickup. There will be no choices of taking chips in the body for the people on these lists. The intention is to exterminate all the enemies of the new world order. The men in black in the vision will be paid mercenaries

from foreign countries. These trains will have boxcars with shackles to restrain their prisoners. There will be some who will be martyred in the gas chambers of these detention center death camps. The money for this operation will be a secret military operation that no one will know about. Martial law will be the beginning of the end of your freedoms in America. Those people, who are not on these lists will be given an option to take a chip in the body or be put to death in the death camps. These chips should not be taken because they will control your mind like a robot. This is why My faithful need to leave their homes and follow My angels to My refuges where they will be safe from these killers as I will protect My faithful. I am giving My faithful hope at My refuges. If you refuse to leave for My refuges after My warning, then you are risking martyrdom at the hands of these mercenaries. Trust in Me to help you in your battle against the evil people and evil spirits. The reign of evil will be brief, and then I will bring about My victory.”

(February 11, 2013) JESUS CHRIST: “My people, this vision of lions is how Christians were killed for sport by the Romans. You also remember how many Jews and Catholic priests were killed by Hitler in World War II. I am reminding you of these previous persecutions because Christians and patriots will be killed with a new persecution by the one world people who control your government. These evil ones have prepared detention center death camps across your country where they have gas chambers, crematoriums, and guillotines. When the lives of My faithful are in danger, I will warn them when it is time to leave for the safety of My refuges. Some will heed My warning, and they will be protected. Those, who do not leave their homes in time, are risking martyrdom. The men in black from the foreign UN troops will try to force everyone to take a chip in the body at their homes. If they are caught and refuse the chip, then they will be killed in the death camps. Those, who follow My directions, will be led by their guardian angels to the safety of My refuges. At My refuges you will be made invisible to those who want to kill you. Trust in My promise of protection during the coming tribulation.”

(August 8, 2013) JESUS CHRIST: “My people, there are hundreds of detention center death camps all over your country. These buildings are being prepared to exterminate millions of Americans who will not take chips in the body, nor go along with the new world order. These evil ones know that My faithful will not go along with the laws mandating chips in the body, or the mark of the beast. This is why the evil ones have millions of foreign mercenary troops who do not mind killing American outlaws. These troops are the UN men in black who will go door to door to try and force chips in the body on the people. Those people, who are captured that did not escape, will be killed in these death camps as martyrs. Be prepared to leave for My refuges when I warn you, or you could be one of these martyrs.”

(August 16, 2014) JESUS CHRIST: “My people, the one world people have been making tunnels underground for years in order to connect their underground cities to protect their own people. They can secretly buy and store supplies without people seeing their operations in these tunnels. When they want to start a martial law takeover, they can move their men in black troops throughout their tunnel network. They will already have troops stationed

where they need to be. This is a very devious plan that few people are aware of. No matter what evil plans are made by the Antichrist, I will be protecting My faithful at My refuges with My angels shielding you from danger. Trust in My plans for your protection, as the time of My defeat of the evil ones is near. You all know the outcome of this battle. Satan, the Antichrist, and the false prophet will be defeated, and then they will be cast into hell. Then I will welcome My faithful into My Era of Peace, and later into heaven.”

(July 6, 2015) JESUS CHRIST: “My people, as you get closer to the time of a martial law declaration, you are seeing more military operations all over your country. These military exercises are becoming more invasive and more obvious to the people. One of the means of hiding their plans is to use tunnels connecting the large cities. The tunnels enable them to station troops in coordinated positions, so they can come up when it is time for their takeover. Just as the evil ones are making their plans, so My refuge builders are making their plans as well. You do not know how dangerous it will be for My believers once the evil ones are allowed to persecute you. My faithful will need to come to My refuges, or they will risk martyrdom, if they stay in their homes. Trust in My protection as My angels will be helping you.”

(December 23, 2015) JESUS CHRIST: “My people, I have told you in previous messages that I will warn My faithful when it is time to come to My refuges. It will appear that nothing is wrong, and you will have to trust My Word to leave your homes quickly for My refuges. The evil one world people have even foreign military ready in their tunnels to come up and try to capture the ‘red’ list faithful before martial law is declared. After My Warning experience for everyone, there will be six weeks of time for conversions. When I warn you to leave, you must do it quickly, or you will risk being captured and killed. Take this warning to leave as a true prophecy so you are not captured. After martial law is declared, these same evil ones will then seek out the ‘blue’ list people who are the faithful who the evil ones will try and kill next. These evil ones are ruthless killers who will be sent out to kill My faithful before they can get to My refuges. Only those faithful with My crosses on their foreheads, will be able to enter My refuges.”

(February 4, 2016) JESUS CHRIST: “My son, you have visited one of the detention center death camps that are equipped with gas chambers and crematoriums. Those people, who do not go along with the coming new world order, are going to be killed at your death camps. Signs are being made, and troops are training to carry out martial law. I will warn My faithful to leave for My refuges before martial law is declared. Trust in My angels who will protect you from the evil ones.”

(January 3, 2018) JESUS CHRIST: “My people, the one world people have a plan to keep your electrical grid vulnerable to an EMP (electromagnetic pulse) attack. They know if the electricity and the cars stop working, you would be easy to takeover. The one world people have operating vehicles and plenty of food in their underground cities. They know many people would die of starvation, or be killed fighting over what little food is left. At a certain time an army will come up out of their caves and proceed to take over your

country. My faithful will be directed to My refuges, and I will protect your solar panels, and heaters so you can survive with your stored up food. I will multiply your food, water, and fuels at your refuges. My angels will put a shield around your refuges to protect your people from the evil ones. Trust in My protection because I will destroy all of the evil ones, and cast them into hell. My faithful will be taken up into the air, and I will renew the face of the earth, and I will bring the faithful back down into My coming Era of Peace. You will be prepared to be like saints, and you will come to heaven after your death.”

(November 18, 2021) JESUS CHRIST: “My people, when you see the men in black from the UN coming door to door to try and force the mark of the beast on people, I will call you to My refuges of protection. The evil ones will try to force the vaccine resisters to take the mark of the beast, but I will call My believers to My refuges before they can capture you. Trust in My angels to make you invisible on your way to My refuges. My angels will shield you from the evil ones, and you will be protected at My refuges by legions of My angels. Trust in My words, and you will be saved.”

(August 31, 2023) JESUS CHRIST: “My people, this vision of darkness at the time of the Warning is a sign of how evil things are covering the earth. It could also be a sign of how dark it is in the DUMBS where young children are abused. I will soon bring My Warning as a means of waking up people who are deep in sin. This is an outpouring of My Divine Mercy to try and save as many souls as possible in the six weeks of the Conversion time. Take advantage of this opportunity to save souls when there will be no evil to stop your efforts.”

MESSAGES ABOUT THE COMING THREE TRIGGER EVENTS LEADING UP TO REFUGE TIME

(December 1, 2014) JESUS CHRIST: “My people, the one world people and Satan know that their time is limited, but they cannot move ahead with their takeover plans, until I bring about My Warning that will give sinners a second chance. After the Warning and the conversion time, then these evil ones are planning a martial law takeover of America that would place you into the North American Union. I have mentioned before how such a martial law could be caused by three events, either one at a time or at the same time. The Federal Reserve could crash the dollar by calling in all of their bonds as there is not enough money to pay for a defaulted National Debt. Even with a new currency, the loss of dollar valued assets would be so catastrophic that your whole economy would fail. Another tool would be to use an airborne pandemic virus that would kill many people. A third tool would be to create false flag terrorist events that could kill people with guns, and it could cause riots. Such a martial law is being planned, and it will be implemented after the Warning. When such a martial law is declared or before, My faithful will need to leave their homes for the nearest refuge. You will be safe at My refuges where My angels will shield you from being killed. Trust in My protection at My refuges.”

(May 21, 2015) JESUS CHRIST: “My people, I will bring about My Warning experience before any events that will endanger your lives. I have given you messages before that martial law will be precipitated by a money crash, a pandemic virus, and terrorist activities in multiple cities. This financial crisis will come as interests rates rise, and the derivatives fail. You will also see a pandemic virus that will kill many people. You will also see continuing terrorist activities from the drug dealers, and jihadist Moslems. This martial law will be the end of any normal government, and you will be in a police state with no rights. This will also be a time to come to My refuges.”

(September 3, 2015) JESUS CHRIST: “My people, one of the coming factors in when you will leave for My refuges is a coming declaration of martial law. The one world people are planning a takeover of America with martial law that will result from a bankruptcy, a pandemic virus, and terrorist activities. With these events happening, it will give your President an opportunity to declare martial law. My faithful will be at My refuges when this occurs.”

(November 19, 2015) JESUS CHRIST: “My people, your security forces in all of your countries may have to go on full alert and even start preemptive actions against terrorist groups that could kill more people. You will soon be in a state of war against any jihad Moslem attacks. If more attacks continue, you could see how much your safe havens will be needed when chaos could threaten your food, water, and electricity. The one world people want to precipitate more threatening attacks so they could have an excuse to start martial law. Be ready soon to leave for My refuges when chaos will cause riots in your streets.”

(November 20, 2015) JESUS CHRIST: “My people, in the Gospel I made some whips and I threw the money changers out of the Temple because My house is a house of prayer, and the money changers made it into a den of thieves. You will be seeing organizations like the World Council of Churches trying to force communist infiltration into your churches. You even have masons infested in My Roman Catholic Church. I have told you before that there will first be a division in My Church between the schismatic church and My faithful remnant. The schismatic church will teach New Age doctrine and that the sexual sins are no longer mortal sins. The second attack will be from your own government as well as terrorist attacks to burn your churches. The persecution of Christians by Muslim jihadists will continue into America. There are many terrorist cells in America waiting to attack the infidels. Once you see martial law and mandatory chips in the body, you will be well on your way to My places of refuge for your protection by My angels. As you see the current number of terrorist attacks, more fear and chaos could result. Do not fear these evil ones, but be ready to come to My refuges when I give you the notice to come. Trust in Me to protect you as I have promised.”

(November 24, 2015) JESUS CHRIST: “My people, in the Gospel, even My apostles were asking Me when I would be returning to the earth. This curiosity of the time of My return has had people concerned for many years. It is not important to know the times appointed by My Father, but it is important to remain faithful to My Commandments. I told My apostles that I would return on the clouds, just as I left them, when I ascended into heaven. I have given

you signs in the Scriptures when you will see famine, earthquakes, and pestilence. I have even given you a sequence of events that would start with My Warning, and six weeks after for the conversion of sinners. Then you will see a man-made famine, a division in My Church, and a martial law from bankruptcy, pandemic virus, and terrorist events. This would be followed by mandatory chips in the body. All of these things would lead up to the tribulation of the Antichrist. His reign will be less than 3½ years for the sake of My elect. Then I will bring My victory over the evil ones with My Comet of Chastisement. During the tribulation, I will have your angels lead you to places of refuge, where you will be protected by a shield of invisibility. Before the comet kills two-thirds of humanity, I will raise My faithful up into the air so you are not killed by the comet. The evil ones will be cast into hell, and I will renew the earth. I will then bring My faithful down into My Era of Peace as your reward. Later, you will be prepared to come into heaven. Rejoice, because you know the end of the story, and I will be victorious over the evil ones. So do not be afraid, but trust in My protection.”

(January 7, 2016) JESUS CHRIST: “My people, you are seeing a steady number of killings by Islamic terrorists all over the world. These attacks will continue as the one world people will use fear of these killings as a way to control and manipulate your people. Be prepared for a martial law declaration as a result of terrorist attacks, bankruptcy of your financial system, and pandemic viruses. I have been giving this message for a long time, but you will be seeing events move quickly in this direction. Be prepared to leave for My refuges before many people will have their lives threatened. Trust in My protection during this trial before I will bring My victory over the evil ones.”
